**Meeting called to order by Kristy Barry .**

**Mission and Vision Statements read.**

**Motion to elect Emma Farnham as secretary made by Ali Bragg second by T.J Willis.**

**Motion passes unanimously.**

**Virtual Leadership Summit:** T.J. Willis began by talking about and presenting the topics we need to cover for our virtual leadership summit. We then discussed a way to shorten the time that we would be at the summit and also how we could break up the time in order to not have to spend too much time on a call. We decided that our next step was to get in contact with the person who was supposed to lead our in person summit. Then we can decide if it will be over 1 or 2 days and when it will be. We also discussed different options that we could do over zoom such as break out rooms. Suggestion to bring Jack Pillsbury in to be involved as he went to the Leadership Summit at USA-S with Brim.

**T.J. Willis made a motion, seconded by Brim Peabody to have Brim get in contact with the director of the summit. Motion passes.**

**Other Business:** Kristy Barry then opened up a discussion to see when we would like to meet in the future. TJ reported that he initially proposed a meeting a week before every Board Meeting but given the weekly BOD meetings right now that doesn't work. We decided that we would meet next after Brim Peabody got into contact with the leadership director.

Communication: We then discussed which platform would be best for us to stay in contact with each other. It was decided that we would use Instagram. Ali Bragg then made our new group chat.

Jim noted that after the Athletes' Committee Meets there should be a blurb on Instagram to let athletes know what the meetings have been about.

**Motion to adjourn made by T.J. Willis second by Ali Bragg**

**Motion passes unanimously.**
