

Athlete's Committee Report

April 11 2022

The Athletes Committee organized a Winter Champs Book Drive, asking each team to collect children's books for the Bath YMCA Book Nook. This was an effort to give back to the community that hosted the championship meet. Overall, the book drive was incredibly successful.

Additionally at Winter Champs, we had our annual MESI Junior Athlete Rep elections. We had our closest race ever between all four candidates, with Brady Hale ultimately being elected as the Junior Athlete Rep and Audrey Cohen being elected as the At-Large rep after a revote. Ethan Schulz will move to Ali Bragg's current position as the Senior Athlete Rep and Abby Hollis will move to the At-Large position held by Emma Farnham. We are hoping Kiera Springer and Lucy Shaw will be interested in serving on the Athletes Committee this year as we feel they would be great assets to the committee.

The Athletes Committee application will be posted on April 21.

Finally, Ethan Schulz and Ali Bragg are currently working on creating a new athlete representative and committee member removal policy. We have been talking with Jack Swanson (AEC) and met with Taylor and Mary Ellen on April 4th to brainstorm ideas for drafting a new policy. We will have that finalized for HOD.
