

Athlete's Committee Report

August 19 2021

The Athlete's Committee had an unofficial meeting on Thursday, August 5th, to brainstorm and discuss ideas for the 2021 Athlete Leadership Summit. We talked through the pros and cons of having the summit in person, as opposed to virtual like last year's was. We were also strongly considerate of the \$500 we received as a grant, agreeing we should put at least \$250 towards an honorarium to Jack Swanson like we did last year.

Ali reached out to Jack Swanson (USA-S AEC Chair) on August 1 to see if he would be available/interested in working with us again for our summit. He said he would be willing to consider, pending date and time. Waiting for a response from Jack.

The AC decided that Saturday, October 16 would be a good date for the summit as it is during a time when there aren't many meets or conflicts. It is the same weekend as the 2020 summit was. The timing of 10:00 AM - 1:30 PM also seemed to work well so we thought doing that again would work. We also concluded that holding the summit virtually would be best as it puts less restrictions on travel and is less of a financial burden.

We intend on having more official meetings in the coming weeks to solidify plans. Other than that, nothing more to report!
