

## Athletes Committee Report BOD November 11

The Athletes Committee met on October 30th with the Finance Committee to discuss possible companies and people that we could reach out to to support the Eastern Zone Leadership Retreat. Taylor Rogers and Holly Hatch said they would look into finding some grants that we could use. We talked about having bronze, silver, and platinum levels. Where each level would have a certain amount of money associated with it. So if a company donated X amount of money we could say that they are our silver level donor. Our next step is to start reaching out to companies/foundations and to figure out how we would like to promote this event to our possible donors.

Some companies that we thought about reaching out to are Hannaford, Wex, New Balance, Dick Sporting Goods, Hancock Lumber, Portland Drive Academy, Banks (Bangor Savings, TD Bank, Camden National), and other swim companies (Arena, Tyr, Speedo). We also have thought about the Stephen and Tabitha King foundation.

The Athlete Committee has also been hard at work filling committee spots. As of now we have at least two athletes on every committee and three on a few committees. We do have a few more athletes that have expressed interest and we are currently working on putting them where they would like to go. When CMA leaves (and PPSC) we should be all set on the athletes being at least 20% of the committee.

Respectfully submitted,
