

Athlete's Committee Report

May 17 2021

The Athlete Reps met on Monday to look over the athlete's committee applications, in addition to discussing a proposal for a new by-law change. We decided to name five athletes who will be voting at the May 22 HOD and are hoping to enlarge the committee by adding four additional members as well. We received nine applications this year and were impressed with all of them. In a year we are hoping to expand the committee, we want to allow all nine athletes to serve. We would like to allow flexibility in case there is a year where we don't feel there are strong applicants, having a range of 5-9 additional athlete members which would give a maximum of 13 committee members (including the four reps).

MEMBERS - The Athletes Committee shall consist of the Athlete Representatives, the Athlete-at-Large Board Members, and **at least five (5) but no more than nine (9)** additional athlete members that will be selected via an application process overseen by the two Athlete Representatives and the two At-Large Athlete Members of the Board of Directors. **No more than one-third (1/3) of the athlete members may be from the same Group Member.**
