

Athlete Report

Recently, the Athletes Committee has been working on planning the Athlete Leadership Summit. We have completed the agenda and sent out the application. So far we have had five athletes apply. Applications are due no later than October 7th and participants will be notified by October 11th. The summit will be facilitated by Jack Swanson from the USA Swimming Athletes Executive Committee.

Our Goals for the Summit:

- Participants in this summit will learn more about their role in our LSC.
- Participants will gain a greater understanding of how our governance works.
- Participants will learn how to be more effective leaders in Maine Swimming.

Athlete Summit Agenda:

- 90-minutes Leadership Styles and Values (with a 5-minute break)
- 10-minute Break
- 60-minutes LSC Governance (with a 5-minute break)
- 10-minute Break
- 30-minute Q&A with Anthony Ervin

The Athletes Committee has also been working on creating new opportunities for team athlete representatives. We are planning to make a post once a week with a different athlete wearing their mask at practice. This will help us be more active on social media and hopefully inspired older swimmers to take social distancing and other precautions more seriously.
