

Athletes Committee Report BOD January 2 2023

The Athletes Committee Last met on December 4th. The first thing we talked about was the 2023 banquet. We invited Karin Tonello and Rob Hale to the meeting to aid us in the conversation. Some major points that came up were regarding how many athletes will attend. With CMA and PPSC leaving we want to keep the athlete engagement high. So we talked about either having the banquet at a fun venue or possibly bringing in fun games. We also talked about bring in some new awards to give out, for example IMX, IMR and most improved.

We reminded ourselves of the Safe Sport rules. Audrey Cohen (Safe Sport Chair) reminded us on no take pictures or videos behind the block or in the locker room. We are going to make sure that the Safe Sport signs are put in locker rooms across the state of Maine. We are also going to repeat “Safe Sport Week”. One of the most common issues we see is that athletes and adults don't know about the rules. So that's why we want to repeat the Safe Sport week, to spread the rules and get everyone familiar with them.

Lastly we approved all the athletes on Committees ([Can be found here](#))
