

Coaches' Committee Report

The Coaches' Committee met on January 25th. The committee discussed the direction/health of Maine Swimming and whether or not it could remain a viable/independent LSC. While most coaches expressed desire to keep Maine Swimming independent, and not merge with New England, it was generally accepted that changes needed to be made.

The Committee also passed a motion to eliminate the rule requiring YMCAs to submit a Key Officials form within 3 days of a meet in order to allow times to count towards qualifying. The motion passed with 10 in favor, 5 opposed, and 3 abstentions.

Respectfully Submitted,

Matt Montgomery
