Motion to approve all of the past minutes (10/19/20, 11/7/20, 11/8/20) made by T.J Willis second by Ali Bragg

Topic: End of Season Ideas for TPC

We are hoping to have an in-person type of meet. Either split up by gender and age group possibly similar to Y states. Another option is just splitting it up by age groups only. We were talking about how having a single-gender meet might be very crowded in the locker rooms unless we can use both of the gender locker rooms. Ethan Schultz suggested coming up with a plan for a virtual meet, a 50 person meet, and a 100 person meet. Officials, timers, and lifeguards all need to be considered. We also need to take into consideration the fact that we might not be able to compete at a college. Sadie Woodruff suggested using fewer lanes in order to have fewer timers and officials. Ethan Schulz also mentioned that we would need to keep the sessions under 4 hours. T.J Willis suggested splitting the state up into north and south. Ali Bragg then noted that some of the regions have counties that are in the yellow. We also discussed having meets by county but some counties don't have very many teams so competition would be limited.

Motion to adjourn made by Ali Bragg second by Emma Farnham.
