APT

The Center will be updating the APT courses (Core, R1, R2, and R3) on April 20.

Two things to know:

The courses will be down that day.

Anyone who has a course in progress (ex: started Refresher 1, but didn't finish it yet) will be forced to restart.

Rules and Regulations Test/Official Tests

The Rules and Regulations for Swim Coaches test will be unavailable from April 15-30. The officials' online tests will also be unavailable on these dates. All of these tests will be updated to allow for the May 1st rule changes. There is no grace period for coaches; they cannot be on deck at practice or meets until they meet the education requirement. The Rules and Regulations for Swim Coaches test is part of the 2nd year coach membership requirement. You may get calls from panicked coaches but there is nothing they can do until the updated tests are back online May 1st.
