### **3. Summer Champs –**

- a. Jim shared his screen with details on [order of events](#)
- b. . Confirmed that Colby on has blocks on one end. Jim increased times by 1/3. He put in some breaks around the 50s. Jim thought it would be best to run all girls relays together and separate out results and then do the boys. It will save a bit of time. Jim did not do a 400 free relay for the 10 & unders. Have to be careful of having 10 & unders delineated in both sessions. Will confirm pool setup with Colby.
- c. Minimize 800 and 1500 free. How do we limit them? In past we have done no more than 16 in the 800 and 1500 but that is still 64 kids. Do we have time? Jim says top 16 of open and top 8 of 13-14. This should help control it.
- d. 400 relays take up a good hour. Can we limit them? Going to have at least 6 heats. Mary Ellen will put in protocol that relays may be cut. Should we limit the number of relays per team?
- e. 11-12 200 back, breast and fly are timed finals at night and should be swum mixed so we don't need to separate lanes.
- f. Jim makes motion to approve, second by Ethan. Motion passes unanimously.

### **4. Summer Champs 2023**

Colby asked for the dates for next summer so we can reserve dorm rooms. The meet would be July 14-16, 2022. Ethan says this gives more time to prepare to Futures and NCSAs and stuff. Room rates will be high so dorm rooms are key. Discussion on season ending so early but down the line may need to have cut times so an end of season meet after champs could be good.

### **5. Adjournment**
