

May 30, 2019 BOD Report
Operational Risk Chair
Zachary Mullin

We had a discussion at our April meeting regarding injuries being reported in our LSC. Here are my findings in regards to the last meeting's discussion.

1. All USA and YMCA Teams must report injuries during a USA Practice/Meet.
2. Y/USA Teams do not need to report injuries during a YMCA Practice/Meet.
3. Y/USA Swimmers with a Y/USA Coach in a lane to themselves must file a report.
4. A Y/USA Swimmers working one on one with a Y/USA Coach must file a report.
5. All reports must be sent to the Operational Risk Chair (it's helpful to have Mary CCd)
