

Operational Risk Report - 2/23/20

Here is a summary of the *Report of Occurrence Results* from USA Swimming for January 2020. No additional information has been received from USA Swimming or LSCs regarding the following January occurrence. As of today, I have not received any *Report of Occurrence Results* from USA Swimming for February 2020.

Ref # 17053586

Received 1/29/20

Date of occurrence 1/28/20

Swimmer: Male, age 10

Team: CMA

Location: South Portland Community Center (in pool)

Explanation: Athlete was doing handstands, came up and felt like something hit him. No one saw and were not sure what exactly happened, though he said wall was 2 feet away when he came up. Athlete had a cut on his nose and under his eye.

Onsite action: Coach applied ice for 10 minutes. Dad came out of stands and sat with his father.

Please let me know if you have any questions.
