

Safe Sport Committee Meeting Agenda

September 28, 2022 @ 7:30 PM ET

Mission: Create opportunities and provide resources to promote excellence in Maine swimming.

Vision: You CAN get there from here!

Roll Call

Topics:

- Update on recent Safe Sport initiatives by USAS
- We're finding that not all clubs/athletes know about some Safe Sport rules (ie no photos/videos behind the blocks and in the locker rooms; and coach to athlete electronic communication rules). There are new reporting tools like anonymous texts.
 - o How can we educate everyone?
 - o What other rules need to be communicated?
- What can/should happen when clubs/athletes violate Safe Sport rules? How do we enforce it?
- Right now, when clubs complete the Safe Sport Recognition Program (SSRP), MESI gives them \$250. Some clubs refuse to get safe sport certified until it's mandated by USAS. In some LSCs, if a club does not have their SSRP they not allowed to host a meet. What can/should we do to drive home the importance of getting SSRPs and how can we enforce it?
