SSRP

To date 4 clubs have achieved SSRP: DEFY, LRSC, PPSC & SMAC
Seven additional clubs have started SSRP: CMA, HSC, MMD, PBAY, SEAL, WCCU & YWTS. I have reached out to the teams that have accumulated at least 40 points to see what they need in order to finish.

New Programs for Clubs

USA Swimming has partnered with Futures Without Violence (FUTURES) to introduce two new free programs for teams across the United States: Coaching Boys Into Men and Athletes as Leaders. Both programs provide curriculum for teams to encourage healthy relationships and promote leadership among athletes in the fight against sexual violence. Clubs will be receiving an email regarding these programs by the end of September.
