

Senior Report:

We currently have a training camp event scheduled for Sunday, November 1st at the KVY. Given some of the discussions that we've been having regarding the running of the D 1 Meet, I question the viability of this event if we stick to the plan of bringing in swimmers from all over the state. It may be advisable to push this event back until January and see if we can get some additional clarity on who could attend, otherwise it might be camp that would be limited to teams in a certain proximity, and also limited in the number of teams that can be represented. We could still do something like that, it's just not what was contemplated in the planning.
