

SENIOR CHAIR REPORT

The Senior Chair working with the newly formed Senior Committee is in the process of putting together a proposal for a seasonal schedule of training camps or training opportunities to be offered to qualifying USA registered swimmers in Maine. This concept has been in discussion for a number of years, and was one of the items listed on the 2016 Strategic Plan, however it had some implementation in June with the training trip to work in with the Attleboro Blue Fish.

Following the trip the committee has been working to come up with a proposal to implement regularly scheduled training camps or trips into the Maine Swimming yearly schedule. It is anticipated that this proposal will be prepared and submitted at the September 8, 2019 Board Meeting.
