

MESI TPC Meet Proposal

12/29/2020

- Submitted by: Marcel Da Ponte, Mike Schmidt, Jay Morissette, Sadie Woodruff, Ali Bragg.
- The TPC Committee met on Wednesday, 12/23 at a.m. to primarily discuss a Championship meet offering as well as other new potential meet opportunities for the athletes in Maine.
- Along with the 2 athlete committee members, the consensus was that we would like to be able to offer a 3-meet series leading up to a Championship meet in April.
- The 3-meet series would provide for 1 meet per month at the end of January, February & March. These meets should offer all of the events, without any event restrictions, so as to provide for as many swims as possible. These meets will likely be offered as virtual meets.
- We discussed that both USAS as well as YMCA times would be allowed for entry/seeding purposes.
- A potential Championship meet would be slated for 4/22 - 4/25. Ideally this would be a regular meet. Not scoring the meet was talked about and we decided that the focus would be on getting the athletes to race, not for teams to compete via a scoring system.
