Guests: Taylor Rogers (General Chair)

Motion To Approve 8/29/20 Minutes made by T.J Willis second by Sadie Woodruff.

Topic: New Athlete Committee Member and Virtual Athlete Summit

Kristy discussed and we all agreed that if our communication improved and we all worked together and the committee would continue to be comprised of the same people/

Kristy began by discussing that we had decided to go with an AEC member for the facilitator. Taylor confirmed that our summit would be virtual and that we might be able to get Anthony to be able to go virtual. Kristy said that Jack Swanson said that we have between 30 and 40 people. Kristy said that our time range is about 3-4 hours. We are potentially thinking... 1.5 hours of leadership styles and values, 1 hour of LSC governance, 30 minutes of goal setting/ Q and A (potentially with Anthony). We are thinking of having breakout discussion groups in between each session and then having a five minute break after as well.

1.5 hours of leadership styles and values at 50 minute mark 5 minute break then at the end a 10 minute discussion and 10 minute break

1 hour of LSC governance at 30 minute mark 5 minute break then at the end a 10 minute discussion then 10 minute break

30 minutes of Q and A with Anthony

We discussed what we want the applicants to get out of this summit. Some ideas where what is their role in the LSC, how governance works. How to be more effective leaders in Maine Swimming.

We decided that heavy duty stickers would be the best way to go because we can use the stickers for both the cars and water bottles. We also think that magnets would be a good idea.
