

Charlie Hartley Memorial Silver Championship

Hosted by the Penn-Del Swim League & the Ridley Area YMCA

FEBRUARY 25-27, 2022

We welcome you to the Penn-Del Swim League Charlie Hartley Memorial Silver Championship Meet. Here you will see a small segment of the thousands of youngsters engaged in YMCA swimming. The YMCA's competitive swimming programs encourage young people to participate in an activity that is wholesome and teaches many of life's valuable skills. The quality of excellence shown here today is only exceeded by the self-discipline necessary to attain that excellence.

We also wish to thank the parents and friends of all the swimmers. Without your dedication to your children and the program of the YMCA's, this competition could not be possible.

As your host, we are happy to have you as a visitor. We are fortunate to have been able to secure the use of Ridley School District's Aquatic Facility. Please remember that we are here as the guests of RHS.

We hope you enjoy the meet and have a pleasant time. Best of luck to you and your swimmers and have a safe journey home.

Thank you!

SPONSORS OF TODAY'S MEET INCLUDE:

APPCO's Sports World of Secane, PA
Ro-Lynn Deli of Brookhaven, PA
