Please reach out to Joanna if you need to have a financial meeting. **Every account must have a valid credit card associated with the account.** This should be used for payment during registration. This card will be used for other costs, such as meet fees. If the card is denied for any reason, it is your responsibility to pay the required amount before the 10th to avoid the \$50 late fee and/or before the end of the month to ensure your swimmers are not held out of team activities.

**Team Effort Meets:** Team effort meets will be available for entry on our Team Unify website which is accessible through our Suburban Seahawks website at [www.sscswim.org](http://www.sscswim.org). It is up to the individual swimmer and/or parent to make the decision which meets to attend. Please pay particular attention to the meet entry deadline on Team Unify. **Entries received after the deadline will be charged a \$25.00 late fee.** You must enter all team effort meets through the Team Unify online meet registration module. We pass on all meet fees to our swimmers, together with an SSC Admin fee depending on the location of the meet which could be \$10, \$25, \$40 or as much as \$250 for a travel meet. This helps to cover coaches' expenses. Meet fees will be added to your Team Unify account at the end of each month.
