ILLINOIS YMCA SWIMMING

d) Staff Designee

- i). No report

e) Committee Reports

i) Officials Chair

- a). Regional training coming up soon. So far light registrations. Need to get the word out and the parents in!
- b). Question was asked why training was so close together – It was already turned in/planned that way. Can look at that for future training.
- c). Rome asked if the training dates were too early. Would Oct be better? Looking for input on what works best for teams to get parents in.
- d). Rome's training dates in Illini report.
- e). Darby – District chairs send Joe season start dates to help with setting up training.
- f). Question was asked how far in advance do they need to order books.
A : 5 days for books, vast majority done electronic now.
- g). REMINDER – For a meet to count, must have:
 - 1). DR/SR/AO – minimum officials
 - 2). ILSWIMS report with the above infoLast year only around 50% complied!
- h). Working on keeping the Officials Spreadsheet updated/accurate. Asking clubs review listing to make sure all their officials are listed. Will allow Lvl 2 officials to email all officials for meets they are working.
- i). Around 50% of officials on current list set to expire credentials within 6 months.
- j). NEED RECOMMENDATIONS FOR STATE MEET REFEREE FOR SCM and LCM meets!

ii) Webmaster

- a). National site is now active!
- b). Only 2 districts have sent in schedule. NEED TO SEND DAVE FULL MEET SCHEDULE!

5) District reports

a) Chicago

- Lost 13 officials and around 270 swimmers when Leaning Tower lost their pool/team.

b) Illini

- Officials training on Oct 15th in Champaign will be L2 (not L1 as listed in report).
- District meet will be held at Springfield Y in February (moved to Feb).

Chairman's Report

Illinois YMCA Swimming State Committee Meeting May 6, 2018

What an exciting fall/winter season! Thank-you to all the swimmers and coaches for giving us some fast swimming at the State meet! It was an exciting meet!

Congratulations to Haley Rivera and Jordan Ovanic on winning the Ryan Held Scholarship.

Thank-you to Dave Brtva, Rob Busby, Chris Flamion, and Alex Totura for running our first ever state run meet. I was impressed with how well run it was. I was very impressed with the 10 & Under season and that no swimmer missed event without having a bull pen. I am interested in everyone's feedback on the meet and what we can do to continue to grow the meet. I encourage everyone to think about ways that we can get more teams to volunteer and help in the upcoming state meets.

Thank-you to all the officials that gave their time this season. It was a long season and we appreciate all the work that you do to make sure we stay running!

Welcome and congratulations to Katelyn Carlson and Michael Patton on being our new athlete reps! We look forward to hearing your ideas and input on all things swimming.

I had an exciting conference call with the YMCA state representative from the sunshine state of Florida. They are looking to restructure how their state is set up and run. They are looking to follow our model here in IL. I am working with them and helping them set-up their model.

I am looking to set-up a meeting with key members of Illinois swimming. We need to start working together instead of against each other on meet dates, meet venues, and other items. We need to work together to put the best interest of the swimmer 1st.

Again, communication needs to be a priority for us. We still had coaches not getting information about meets. We had coaching changes throughout the year that was not communicated at the state level. We need to make sure that all teams are aware of what is happening in the state.

As we start summer season lets continue to build upon the excitement of the fall/winter season. Encourage your swimmers to get those Long Course state times!

Good luck for fast swimming! See ya'll on the pool deck!

Respectfully Submitted,

Darby Brtva

Webmaster's Report Illinois YMCA Swimming State Committee Meeting May 6, 2018

ILSWYMS- Database is up to date excluding YMCA Nationals. Top 20 Times report is posted for the Short Course Season. An email went out to coaches notifying them of this and asking them to contact me with any issues they might notice and an opportunity to submit any meets they may not have. I gave to the end of the month to finalize the Top 20 list. I further would like to establish Illinois YMCA State Records using the databases starting with the 2013- 2014 the first official season of Illinois YMCA Swimming. This information can easily be gathered and we can use the swimmers age at the meet even for the years we used December 1st as the age up date. This would allow swimmers to actually break records that were set by swimmers who fell into the age category they set the record for as opposed to one that a swimmer was really a year older like some of the Illinois YMCA State Swimming Championship Meet Records.

Accounts- Have continued working on cleaning up the accounts list and verifying correct emails. Currently 113 of the 421 accounts have email addresses that have not been verified. This number is down from the previous reports due to the fact that officials who's certification has expired have had their accounts suspended as well as some email address have been corrected or finally verified by the user. I am still looking for input on how to handle change in teams coaches. I still think I would like to give an account to all coaches that are registered with a team.

Officials- I have finished cleaning up the officials accounts and verifying toughs that are no longer active. All YMCA Officials now have their expiration date in the system and their accounts will be suspended 30 days after their expiration. Reminders will be sent out to the officials that are nearing their expiration. With all the records being up to date it is imperative that the trainers send me a roster of their class after they close it out. Also all officials no have name badges and their accounts reflect this.

Invitational Meets- I will again be posting the Short Course Season on June 1st. If this needs to be sooner so teams can get there schedules together I am open to change it.

Master Meet Schedule- This season was a lot better in receiving meets as well as Meet Certification Forms. Having the Master Meet Schedule as well as the rule regarding failure to submit the Meet Certification forms I believe was a big help despite not getting the last teams schedule until mid-November. I attempted to send out a reminder around the first of each month. I was not able to do this and a couple of months and had a couple of coaches believe they were not required to have the information submitted per the rules because of no or last minute reminders. Because of this I am

ILLINOIS YMCA SWIMMING

rethinking the curtesy reminders. Either way the system worked so well I believe the rules should be amended to add a date for meet schedules for the long course season.

Website- The domain renewal is coming due. I would like to transfer the domain over to the State Committee and Springfield YMCA that way I will not have to be reimbursed. I am also continuing to think about ways that would both help Teams, Coaches and Swimmers as well as to promote YMCA Swimming. I am always open to suggestions about this as well as any other topic.

Illini District Committee Report

Submitted by Rob Busby

Position Changes

- Lynnae Touchette - State Representative
- Josh Gibson - District Secretary
- Ed Pacey - Coach at YDSC

Scheduled Officials Trainings

- Sunday, August 26, 2018: Trainings TBD

New News

- Plan to continue District Champs timed final format
- Junior Districts will return (dependent on State meet date)
- Districts will have strict time standards (if approved in the fall)
- Special committee is developing camps for District athletes

ILLINOIS YMCA SWIMMING

Northwest District Report

The Northwest District held a meeting on January 28, 2018 at the Rock River Y following the Lucky Duck Invite. 8 out of 10 Northwest District Teams were represented; Belvidere, Dixon, Freeport, Illinois Valley, Ottawa, Rock River Valley, Sage, and Streator. Marty Sterner from Streator was also in attendance as an Official's rep.

The Northwest Jr. District / District meet was held March 2-4 at the Sage Y. This was their first time hosting. They did a great job!

- The meet offered Jr. District events for swimmers 12&under and District events for swimmers that qualified in all age groups. The meet was a 2.5 day format basically following the state format.
- Ben Babakhani was the meet referee

The Northwest district teams would like to see the 2019 State meet dates March 15-17 at Lake Central HS. Feedback from the state meet (I have heard very little)

- Still having issues with parents in the stands "camping out", bringing coolers, saving seats etc. The marshals need to be stopping those items before they ever get into the stands. The uniformed security was a good idea but they really didn't do anything.
- Could we consider running 2 pools in prelims similar to how Age Group State ran? It gave both the swimmers and coaches break time and it didn't seem to affect performances - it was a fast meet.

The fall District meeting will be on the same day as the fall state committee meeting at 8:00AM in Ottawa.

2018 Illinois YMCA State Swimming Championship
Meet Director's Report
Illinois YMCA Swimming State Committee Meeting May 6, 2018

I would first like to thank my Championship Committee of Rob Busby, Alex Totura and Chris Flaimon. All of them spent a lot of time and several conference calls this past season to make this meet a great success. I would not have been able to do it without the three of them. I would also like to thank Joe Roznai for his work coordinating the Officials. Thanks also needs to go out to Jon Ellis for stepping up and taken on the role as Meet Referee and running a great meet as well as Scott Penland for taking on the role of Administrative Referee . I absolutely cannot forget all the officials who came out and helped officiate the meet. It was great to see so many new faces. Lastly I would like to thank Springfield, Champaign, Decatur, Fox Valley and Clinton YMCAs for stepping up and helping with the operation of the meet.

With this being the first year of the State Committee being the host of the meet, I as well as the members of the Championship Committee feel it went very well. We do have several thoughts as well as recommendations that I will include in this report.

Format- The Championship Committee was in agreement that the new format went extremely well. The addition of the 21 & Under 1650 and 12 & Under 500 was well received. We did not see decreases in swimmers in the events that were moved to Friday night. The session went extremely well and having the awards presented that night was the right decision. The only issue with the new format that we did experience was the long Finals session on Saturday night. The Meet Committee truly believes that this was mainly due to the delays in getting swimmers of the awards area to receive the medals. There was a small issue with the awards during the Saturday Timed Final session as well but was corrected immediately. The Championship Committee would like to recommend that for future meets the Timed Final session awards would be handed out following the 200 IM and 200 Free and then every 4 events after that. We would also further recommend that a meet operations or awards person be posted near lane 1 to direct swimmers in the last two heats of a timed final session and each heat of the Finals sessions to go directly to the awards area. This worked extremely well on Sunday and we were able to stay on timeline.

ILLINOIS YMCA SWIMMING

Bullpen- The Championship Committee made the decision after a month of teams able to sign up for jobs at the meet and no team stepping up to take the Bullpen that if no team did we would not have one. We knew there might be some coaches upset with this decision but felt if they really wanted one they should have volunteered. We believe that we have once and for all proved that a bullpen is not needed at either Championship meet as not a single swimmer missed there event in the Timed Finale sessions and the sessions ran on time. Therefore it is our recommendation that a bullpen not be used at any future championship meets.

Meet Staff- Just like we have had troubles the previous three years finding a meet host, we also had some difficulty this year getting teams to want to step up and take on the worker positions to run the meet. We did have two teams step up right away. Champaign County took Meet Operations which included head timers and meet runners while Fox Valley agreed to do awards. After several attempts to get teams to take on Meet Marshals, Hospitality, Colorado Timing, Bullpen and Announcing, Springfield YMCA stepped up and took Hospitality and Announcing and was able to convince Decatur and Clinton YMCA to work the Marshals. Bullpen was addressed above and the Colorado Timing System was handed over to the Administrative Officials. The Meet Committee made the decision early on to try to get a group from the School to do the timing and we would pay them. We were unsuccessful in finding a group so we made the decision that until we had the other positions filled we would not offer timing to the teams to be paid. Seeing we did not fill the position, the timing spots were assigned to team. I made the decision that the teams that actually did step up and take a job at the meet would not have to provide timers. Moving forward the Meet Committee makes the following recommendations regarding meet staff: 1. Timers will not be paid. 2. Only Meet Marshals, Hospitality, Meet Operations and Awards will be offered up to teams. 3. The Colorado Timing will be run by the Administrative Officials. 4. The Announcer will not be paid but instead have a hotel room provided for them. 5. Any job that is not signed up for will be assigned to a district and will still be paid positions.

Entries- There were no major issues regarding meet entries however I would like to mention a couple of areas regarding entries. The first is the Meet Declaration forms. Moving the date that the Meet Declaration Forms are due to February 1st was a big help in collecting these forms this year. With that being said there were a couple of Coaches who stated they knew nothing about this form and were late in submitting. The other 2018 Illinois YMCA State Swimming Championship Meet Director's Report

ILLINOIS YMCA SWIMMING

would be the Entry deadline itself. This was the first Short Course Meet that the entry deadline was the Monday before the meet. There were no teams that were late in submitting their entries this year however with the compacted schedule it is important that the Entry Chair be available all day on Monday and Wednesday the week of the meet to deal with all the entries. The Meet Committee recommends that even though some reminders went out about deadlines we feel that maybe a monthly email from the State with upcoming deadlines would help.

Team and Coaches Registration- This continues to be an ongoing problem year after year with the current Group Representative. Even though the deadline for teams to register with YMCA of the USA is December 1st we are not receiving confirmation until a week or two at the most before the meet of teams and Coaches that are registered. By this time it can be too late for a team to correct this and then we are forced to not allow a Coach on deck due to not being currently registered. This was a large problem this year as coaches were not receiving confirmation that they were registered. I was forced in several cases to take the Coaches word that they were registered. It is the Committees recommendation that the Chairman of Illinois YMCA Swimming contact the Meredith Griffin the Regional Representative Leader for YMCA of the USA and express our frustration with the Coach and Team registration over the past several years.

Meet Date- This is the first year in several years that we have held the Short Course meet on a weekend other than the third weekend of March. This date worked very well and we had some very fast swimming. Therefore the Meet Committee would like to recommend we continue to host the meet 2 weeks after the Illinois High School Association Boys Swimming and Diving Championship Meet.

Meet Budget- Entries were down this year. This was due mostly to the loss of roughly 600 swimmers across the state over the previous year. We were able to make up the loss of revenue from the entry fees and t-shirt sales threw savings in several of the expenses. I am also in discussions with Elsmore Swim Shop to be the exclusive Swim Vendor for Illinois YMCA Swimming. We also saved money by presenting smaller banners instead of trophies for the age group champions.
