

2023 Chicago Suburban District & Jr. District Championship

March 4th

Hosted by

The Chicago Suburban District Committee and YMCAs

Welcome Chicago Suburban District Families,

The 2023 District Meet is finally here and I like I am sure you are excited to be once again attending the District Meet. This is our first meet as a new district and look forward to seeing all our swimmers hard work payoff. We strive to bring our swimmers a high quality championship experience and to give each swimmer the ability to have the best swim possible at their District & Jr District Championship Meet. I wanted to send this out to you and pass on some last minute information.

Meet Location: Sage YMCA 701 Manor Rd, Crystal Lake Illinois.

Seating for Spectators and Swimmers:

There will be a crash area setup in the gym for swimmers and families. The spectator seating above the pool is limited so we do ask that there is no "camping out" in the spectator's area. Please come enjoy your swimmers races but then please return to the gym to make room for other spectators. Because of the limited seating swimmers will not be allowed in the spectator seating area at all. Please be respectful to our Meet Marshals as they are there to make sure everyone remains safe. We ask you to also remember they are parents of swimmers just like you.

Food:

There will be Food Trucks on site for your refreshment pleasure at this year's meet. We just ask that you do not bring food into the pool area.

Fine Designs:

Fine Designs will be set up with event shirts and sweatshirts for sale.

Good Luck to all our swimmers and swim fast. We look forward to seeing everyone on Saturday.

Swim Fast,

David Brtva

Chicago Suburban District Chair
