Discussion-

Should be 3 weeks?

Should the secretary be able to pass out to committee members earlier so everyone can have it for their district members.

Can the tabled changed be posted to the website as well for everyone to be able to see and not have to rely on the Key 5 to get their information.

Chairman's Report

IL YMCA Swimming Committee Meeting, May 7th 2023

The 2023 IL YMCA State Meet was a great success this past March. Big Thanks to Dan Wheeler for serving as Meet Referee and providing a well staffed meet with prepared Officials. I know Dan worked hard on trying to implement some new, fun elements into the agenda for the Officials at the meet as we will need to continue to develop participation at the State Meets in the future.

Thanks to Dave Brtva for serving as the Meet Director and Darby for serving as the Facility Coordinator and de-facto Volunteer Coordinator this Spring. There were many evolving things and last minute changes that needed to be made with the venue and good solutions were made to make sure the meet went smoothly. Also thanks to Rick Warren from Knox County for being our Announcer. It is a huge role that he has taken on to make a good experience for everyone at the meet.

This year saw a huge improvement from Coaches in both Team and Coaches registrations prior to the meet. Thanks to Darby for operating the check-in for coaches and all the coaches for being on-top of their registrations this season. We will continue to remind and update coaches throughout the year to make sure we are making this a less stressful experience leading up to the meet.

This season we had 6 Para-swimmers who participated in the YMCA State meet which is the most we have ever had. It is great that we have this opportunity for the athletes and I hope their experiences and achievements allow for continued participation and future growth in this sport.

It was my intent to host a Coach's meeting virtually in the month of April however that did not happen. I do plan to make that offer in the near future and believe it would be beneficial to coaches to have an avenue to share and learn from one another. We may all work for a YMCA but our experiences will be varied. With many new coaches and constantly evolving programs it is important to try to address needs across the state whether it be in the areas of recruiting to your program, training/education, dryland, or even how to approach your YMCA with the needs of your program.

I wish everyone luck in their Long Course season and look forward to seeing you on the pool deck at Lake Central in July.

Alex Totura

Cairman's Report 12

ILLINOIS YMCA SWIMMING Secretary's Report Illinois YMCA Swimming State Committee Meeting May 7, 2023

We had 31 teams submit roster this short course season. We had 2064 swimmers in the state. This number is down from last year, 2319, for a difference of 255 swimmers. We had several teams that were smaller than last year and we had three teams that submitted no numbers (BR Ryall,Bloomington Normal, and North Suburban YMCA) .

We are still struggling with getting the required information in or on time from districts. I am going to look into a system to help make sure we are getting these turned in and on time.

Per the Committees request I gathered and put together a list of dates of Championship Meets and Easter to help us in planning the dates for our Championship Meets. Many of the meet dates are listed as tentative because the dates for them have not been listed yet. I did my best to pick the dates for the meets based on the current practice of the meet.

Secretary's Report 15

Treasurer's Report - Prepared by Kelly Loftus

Below is a snapshot of the current IL YMCA Swimming Account. The Short Course Meet ran a larger profit than budgeted by about \$10,000 which keeps the state in a healthy position entering the Long Course season and Long Course meet.

Concerns in regards to the Indiana Swimming Splash Fee (increased to \$5 per athlete) do not need to be compensated for during the Long Course season with the surplus that was achieved by the meet, however it should be explored for the 2024 Budget.

This snapshot does not reflect the final standing of the account. Payments and expenses are still being processed. Some payments and commissions are still being processed. Some expenses (reimbursements) are not reflected in this snapshot.

Official's Report

ILLINOIS YMCA SWIMMING
Webmaster's Report
Illinois YMCA Swimming State Committee Meeting
May 7, 2023

ILSWYMS- Database is up to date. Top 20 Times report will be posted for the Short Course Season by the end of the week. An email will be sent out to coaches notifying them of this and asking them to contact me with any issues they might notice and an opportunity to submit any meets they may not have. I will give them till the end of May to do so.

Receiving meets and meet certification forms was a major issue once again this year. A very large number of meets could have been fined per our rules for being late. We even had two meets that were swam in early fall that were not submitted until February despite at least two emails asking for meets to be submitted and were recommended to be fined.

Accounts— Have continued working on cleaning up the accounts list and verifying correct emails. Currently 172 of the 317 accounts have email addresses that have not been connected and verified. I am still of the opinion that it would be greatly beneficial to have all Asst. Coaches in the system as well. This would help to ensure information is delivered to teams even when there is a coaching change. This past season we once again had several coaching changes and I even didn't receive a roster from one of the districts.

Officials- We had 251 Officials either YMCA or USAS currently in the system. Of these 146 are YMCA Officials. Officials whose YMCA certification has expired this past season have had their accounts suspended except those who have multiple certifications or those that are also coaches.

All trainings from this past season are updated. I do need to work with the Officials Chair and the trainers to find a more efficient way of getting information on completed trainings. For the most part the Trainers are very good about getting me the information, but on occasion it may be several months before I get the information needed to add/update accounts. With the loss of Tom Warrick on the national level I have lost my verification system of his national list so getting this information from the trainers is even more important.

I do need to get a current USA Officials roster to update these officials are associated with our YMCA teams. They are listed in a separate group so any correspondence that needs to happen with YMCA officials only is easy and possible.

There are still officials who have opted out from receiving email. I again ask that the trainers and coaches explain to everyone the importance of staying on the email list. This is the primary source of communication for official needs, trainings any and all rule changes/clarifications that are sent out to all officials.

One last thing I would like to bring up about the officials is according to our records we will have 46 of our officials expire by the end of 2023. This is close to a third of our YMCA officials.

Invitational Meets- I will be starting up once again posting the Short Course Season invitationals on June 1st. This past season we had several teams contact me looking for meets to possibly attend. If this needs to be sooner so teams can get their schedules together, I am open to changing it.

Master Meet Schedule— This was a tremendous help in making sure meet certifications and meets are submitted in the past. Since COVID I have not pushed it to hard. We did have a couple of Districts provide this and it was beneficial but this needs to be brought back in whole starting next season and continued for both short and long course per our rules.

Website- I am requesting that anybody that has pictures from our State Meets to please send some to me. I would really like to add some more current pictures to the home page. This includes a picture of the Held Scholarship recipients if anyone got a picture of the two together or separately. If anybody has any suggestions on how to improve our site please let me know.

Respectfully Submitted,
Dave Brtva

ILLINOIS YMCA SWIMMING Chicago Suburban District Report Illinois YMCA Swimming State Committee Meeting May 7, 2023

- 1. Chicago District met on Wednesday, April 26th
- 2. District meet went well. Looking at qualifying times for next year as we had several events with very few swimmers qualified for the District classification for the event.
- 3. Overall a lot of positive things were said about the running of the State meet.

 There were complaints that by the time some of the coaches got to hospitality a lot of the food items were already gone.
- 4. We will be voting on new By-laws and Rules for our new District at our next meeting.
- 5. District Officers
 - a. District Chair Dave Brtva
 - b. Officials Chair Pingo Areas
 - c. Secretary Pam Soja
 - d. State Representatives. Mark Sobieszczyk and Dave Hedden
- 6. Next District meeting is scheduled for Wednesday, August 23rd

Respectfully Submitted,
Dave Brtva
Chicago Suburban District Chair

Illini District Spring Meeting Report

The Illini District Committee met on Sunday April 30th at 11:00 AM at the Springfield YMCA and Virtually.

We still have teams (BNY and CCY) without current coaches or programs. The majority of teams plan to participate in the Long Course State Meet.

The 2023 Junior District Meet was held in Effingham by HHSC. The 2023 District Championships were held in Springfield on March 4th and 5th. 459 athletes participated in the meet this season.

Discussion Items for State Meet

- Awards Small/Large Team in Summer. But look at how we are determining Large/Small teams in the future due to the change in number of teams.
- Yes to Long Course Mixed relays for 10Us. Most in favor for Short Course Relays
- Pass on Adding 100 IMs due to timelines and placement for meet. Teams should start offering these events more to get more data at the state level for qualifying time purposes so we can look at what the potential timelines may be.
- In favor of adding 50s of stroke for LCM? Why not score 21U/13-14 separately?

New Business Considerations

- Change how we determine Small/Large Team. Proposal for Small/Medium/Large Team designations.
- Athletes can not swim in the same distance of the relay for their gender (11-12 Boy can not swim 12U 200 Free relay and 14U 200 Free relay)
- 10U athlete may participate in prelim relay only, but not individual and still be eligible for Timed Finals 10U individual events but not relays in the timed finals sessions. Cross session rule off for relays.
- 10U Athletes should be able to participate in 6 individual events at the State Meet.
- Look at how Para-Swimmers are scored at the State Meet

Illini District Report 26

- YMCA Nationals allows participation but results are part of the overall event and not scored/awarded separately.
- IHSA separates athletes into separate event but they do not score points for their team

Illinois YMCA State Swimming Northwest District

The Northwest District Committee of Illinois State YMCA Swimming held a meeting on March 26, 2023, at 9:30 AM at the Kishwaukee YMCA. Teams represented were DCST, Dixon, Fox Valley, ILVY, Kankakee, Ottawa, and Rockford. No official reps were present.

- 1. NW District By-law updates were approved.
- 2. Review of the 2023 District Championship Meet and approved changes for 2024 Meet. ILVY will host in 2024.
- 3. Items for Discussion for IL State committee meeting in May
 - Comments on State Meet
 - From Ottawa @ awards do not wait to award all relay awards together at the end. Way too many swimmers in awards area. Need to keep swimmers moving through awards.
 - If you volunteer for a job, you shouldn't be assigned to time or marshal
 - Volunteer coordinator needs to be in central location so volunteers with questions can find them.
 - Need to work on defining the job of marshal, make them identifiable, have walkie to communicate if needed
 - All swimmers allowed chairs on deck or no swimmer chairs on deck.
 Have to be consistent with this rule.
 - Swimsuit rules for girls more cheek coverage?
 - No room in hospitality for coaches to eat. Is there someplace else off pool deck coaches could go to sit quietly and eat.
 - Alex's email
 - Add mixed relays in addition to regular relays for long course only not short course
 - 12u 100 IM event added, but not on Friday night
 - Timed finals 21u 50's of fly, back, breast to LC State Meet yes

2021 Illinois YMCA Swimming Championships Meet Director's Report Illinois YMCA Swimming State Committee Meeting May 2, 2021

I would first like to thank my Championship Committee of John Williams, Alex Totura, and Darby Brtva. All of them spent a lot of time and several conference calls this past season to make this meet a great success. I would also like to thank John for his work coordinating the Officials. Thanks also needs to go out to Dan Wheeler for stepping up and taking on the role as Meet Referee and running a great meet as well as Scott Penland for taking on the role of Administrative Referee. A big thank you is owed to all the officials who came out and helped officiate the meet. Many of these officials, like at other meets did not have any swimmers even swimming in the meet. We are so very lucky to have such dedicated people involved in Illinois YMCA Swimming. Lastly, I would like to thank Springfield, Ottawa, Knox County and Fox Valley YMCAs for stepping up and helping with the operation of the meet. I as well as the members of the Championship Committee believe the meet was very well run even with the few bumps we ran into during the meet.

Entries- Our number in individual events (2294 up from 2066 in 2022), total number of athletes (784 up from 730 in 2022) and relays (344 up from 319 in 2022). In comparison if we would have had the 2020 meet we had 3048 individual events, 1092 athletes and 427 relays.

Submission of required paperwork still seems to be an issue for a few teams. We have streamlined this as much as possible and I am not sure why this continues to be an issue. We need to find a solution to this problem as it should not fall on the entry chair and the meet director having to hunt down teams to get these forms.

Format- the format continues to work, however there are a couple of items I would like to address regarding this. First, I do believe if the committee so choses we could make room for the additional events proposed. In order to do so we would have to address the second point I would like to bring up and that is the question regarding qualifying time. In our post COVID-19 world we really do need to discuss whether returning to the pre-COVID entries or fast qualifying times is more important. I know there is a belief Friday night was a bit on the long side, but the end time was at or very close to the target end time from when the format was changed. It was not necessarily a problem with too many swimmers in the Friday night session but more the fact that the times for the swims were much longer than what we had planned for the session. With that being said, I do believe that we do need to look at least at how many heats of the 1650's and 500's we really want. Our system for calculating qualifying times works but it is currently set at trying to achieve 3 heats in each event. I personally feel that this may be too much for the 1650's and the 500's and we should probably aim for two heats of each. The other option to gather some time on Friday night is to run two pools for the 1650's and the 500's We could also do this on Sunday morning for the 500's as well.

Now the question remains for the rest of the events. One of the big things we must keep in mind is that in order to keep both meets financially viable we need to hit a certain number of entries. The Preliminary sessions seemed to be healthy with what appears based on this year's entries that some of the times might get a little faster or at least stay the same. In contrast, the Mid-day session was a little on the light side in regard to the number of entries. I see no reason that a Mixed Relay could not be added to these sessions without drastically affecting the timeline.

Meet Staff- Meet Marshals continues to be an issue. We did have several parents for some teams step up this year and help once we put the requirement on the districts however we still were short, and each district did not pull its weight. I feel that this still might be our best option at this time, or we increase the pay for marshals and see if that will be enough of an incentive for a team. The positions we have not had a problem filling. I would like to investigate to see if I can find a group in the area that would be interested in making a little money to be the timers for both Finals sessions to take the burden off of our teams going forward.

Meet Budget- Overall the budget looks good (see included). We are still waiting on numbers from the photographer and hotel. We were over budget in all revenue line items except one. On the expense side we were over budget in budget in five line items but only one really stands out. This is due to the fact that Indiana swimming increased their splash fee for out of state swimmers from \$2 to \$5. This was \$2420 over what we had budgeted for. We were able to cover this due to the increased revenue, however this will need to be addressed going forward.

Revenue other than entry fees was up especially meet merchandise and swim vendor. We did not have a smoothie vendor this year due to a last-minute cancelation, but I will be looking at a new possible vendor for this. Meet merchandise has been up the past few meets and I attribute this to our themes and great designs that have incorporated the theme. We need to continue to encourage teams to use the hotel booking system with the Convention Bureau. We receive a cut for all rooms booked with them which in turn helps pay for the State Committee rooms. Another added benefit to this is the school also receives some money from this and helps keep us on their good side.

The last thing that I would like to address regarding the budget is hospitality. I know immediately post COVID we were trying to save money where we could on the budget and just to be able to hold the meets. Now four meets post COVID I do not believe this needs to continue. The main complaint I heard over and over about the meet was there was not enough food in hospitality. I have always believed it is better to have to much than not enough. I am not saying we need to spend over the budgeted amount just that we do not need to be trying to see how much under budget we can get on this line item.

Awards- The recommendation made by Meet Referee Dan Wheeler to keep everyone behind the timers until we started announcing the awards for the boys worked well. This made it much easier for

2023 Illinois YMCA State Championship Meet Directors Report

30

the runners to get the awards sheet to the awards table for presentation. We still do have an issue with swimmers leaving the area to either talk to their coach or to get their podium gear. One idea I have for this is to have bins by each block for swimmers to put their gear in.

Respectfully Submitted,
Dave Brtva
