1. Introduction

- a. Called to order 9:36 AM

2. Establish Quorum

Quorum established

3. Review and Approval of Minutes

Darren motioned to approve, seconded by Dave Hedden. All approved

4) Chairman

Alex stands on his report as presented. Thanked everyone for their help for the meets.

a. Secretary

Darby stands on her report as presented. Reminded everyone to make sure you get your stuff turned in on time.

b. Treasurer.

- i. 2023 Final Budget Analysis Report

- ii. 2024 Proposed Budget

There are several officials that still need their name badges. Darby to investigate name tags. Springfield has ordered in the past as well and Alex to get information.

ILLINOIS YMCA SWIMMING

Dave Brtva to do an excel spread out of the state website of the officials. The master spread to be sent to John Williams and he will work with the district's officials chairs to make sure it is updated.

Dave Hedden motioned to accept the budget as changed.

Marty Sterner seconded.

All approved

c. Group Representative

Allie sent out the directions for registering for this upcoming season.

Coaches' late fee went up to \$100 per late coach.

There are questions about acceptable training. We will look into posting the master list of trainings on the state website

a. Committee Reports

i. Athlete Reps

We currently only have a female athlete rep. Welcome Kimberly!

ii. Officials Chair

Joe R will be running a training event October 1st at Fox Valley.

Pingo is now a trainer and will be shadowing at Fox Valley.

John can look at getting Facilitation training if needed.

The officials are looking to do quarterly training. They are hoping that virtual training will be an option as National is more open to them.

Darren stressed that level 1 is a class that is best in person.

ISI is moving to have a Meet Ref certification.

Reminder- YMCA ISI approved meets **DO NOT** Need an USA Meet Ref.

Dave Brtva- cost of the Heartland training is an issue. It was \$40.00. We need to establish an acceptable amount the state should be paying.

The intent was to help get more officials certified by having the state committee to pay for it.

We need to set a threshold for the upper limit of what we will pay.

We will pay up to \$25 dollars for any YMCA official training that is held within the boundary of the IL YMCA Swimming area. If the training is virtual the state committee will also pay up to \$25. If an individual chooses to attend a training outside of the IL

ILLINOIS YMCA SWIMMING

YMCA Swimming area. It is up to the district to cover the cost of training outside of the IL YMCA area and to cover anything above the \$25 for virtual training.

iii. Webmaster

We need the most updated information to keep the state website up to date.

- Coaches and officials need to have have updated emails
- Meets turned in a timely manner.

Meet Certs- can we send confirmation of receipt?

Will be on the state page again once a master list of meets is created.

iv. Safe Sport

Need to appoint a new safe sport chair. Alex to work on.

Darren Moser- Alex situation at Springfield.

USA Swimming has safe sport best practices.

Carol- Alex to get volunteers and he will recommend and the committee will vote to accept.

v. Records

Dave B to do a final call for meets before updating.

vi. Swim Camp

Dave Hedden has names of individuals that would like to help work on an swim camp, need individuals from Illini. Then they will move forward.

vii. All State In-service

Alex and the districts chairs to work together to get something pulled together.

2. District Reports

- a. Chicago Suburban
- b. Illini
- c. Northwest

3. ISI House of Delegates

Nothing to report at this time

4. Old Business

- a. 2023 State Long Course Meet
- i. Review

ILLINOIS YMCA SWIMMING

1. Meet Directors Report p.25-26

Dave Brtva stands on his report

Darren- had 2 parents tell him it was a great meet.

John- one official complained about switching the relays to timed finals on Sunday and not on Saturday.

Dave- Sunday night felt anti-climatic. I felt it was due to the moving of the relays to prelims.

Dave H- agrees with that. It also pulls a lot of swimmers off the pool deck that would change the cheering/feeling of the meet.

Pingo- was the change the best for the swimmers or the coaches? It changes the preparedness for the swimmers as well.

Asked Kimberly- What is the best method for relays? I would like to swim only in the morning.

Dave B- We had decided early in the week, what we are doing for relays so parents can plan. Also by only swimming once we take away a chance for a time cut if they are going for something.

Darby- as a reminder the meet packet is a legal binding document. We are suppose to run the meet as stated in the meet packet.

Dave H- Chicago district has a proposal to help with how to handle this situation going forward.

Joyce- can we rearrange the order events for the finals? Move the relays to the 1st event of finals?

Danielle- It is a 4 hour drive, I am not saying I won't go, but my families appreciate it when they could leave for the day.

Carol- parents need to know ahead of time what to expect.

Marty- We are not going to please everyone. What we have in the meet packet we have to stick to it. We have to decide in this committee what we are doing.

Dave B- motions to table this discussion to the new business.

2. Records p.27

Dave B- the file seems to be off, the times in the meet itself were faster than the ones in the master spreadsheet.

b. 2024 Illinois YMCA Swimming Championship Meets

i. General Discussion on Short Course Meet

John- AO (Paula Hastings) is lined up and Meet Ref is $\frac{3}{4}$ of the way. We need people to shadow those positions as well.

10 and Under & 8 and Under mix relays will be added.

Mixed relay MUST be 2 girls and 2 boys. It will be thrown out if they are swam differently

Double check we have towne center.

ii. General Discussion on Long Course Meet

Several items are in the new business.

John- hopefully John and Colorado have worked out the issues with the grounding on the cables.

c. 2024 Qualifying times

Short Course

Dave Hedden- motioned to approve the short course times as presented

Darren Moser- second.

All approved.

Long Course

Kate Young- Motioned to approve the long course times as presented

Marty Stenier- Seconds

All approved

d. Tabled Rule/By-law change None

5. New Business

a. Proposed By-law None

b. Proposed Rule changes

Proposed Rule Change	Reason for Change	Amended Language	Passed/Failed/Tabled

ILLINOIS YMCA SWIMMING

Proposed by: Illini District			
R1 6.1.1 10 & Under 5 6 individual	We have swimmers that have qualified in all 6 individual event. They would like to swim what they can		No motion was made to continue with this discussions. Failed
Notes Dave- is it fair to let one kid to sweep the podium? Darren- what was the original intent? Dave B - we had time line issues. Darby- I remember that we talked about not over stressing the swimmers. It would be too much Dave H- I agree with Dave B. We are not going to see diversity on the podium. Limiting would allow other swimmers to have a chance. Could we look at having the relay only swimmers get individual events. Kimberly- I would keep it to 5 and less to give the diversity and giving swimmers chance.			
Proposed Rule Change Proposed by: Illini District	Reason for Change	Amended Language	Passed/Failed/Tabled
R2 9.2 Team awards will be awarded to small, medium , and large. Team size will be based on practice roster including high school swimmer as of 2/1. Teams with 100 or more swimmers are a large team, teams with 50-99 swimmers are a medium team, and teams with 49 and under swimmers are a small team.	There are several teams that are on the lower end of the large teams and they feel that they could compete better in a medium size team division.		Darren Moser- motions to table. Danielle - seconds. Table.
Notes Danielle- we just picked numbers			

ILLINOIS YMCA SWIMMING

Darren- medium size teams can not compete with a springfield.

Dave H- when we 1st brought up we did it by a % so teams can not adjust their numbers. Is this a 3 division question.

Darren- looking for a fair way- not everyone gets something

Joyce- looking for a way be fair.

Dave B- Where do you draw the line? The LC meet had a team win 8 and under boys with 1 swimmer.

Darby- we have 32 team- everyone will get banners (OW - everyone gets a banner)

Dave H- more banners can help get swimmers

Darren M- can we use the number of swimmers of swimmers qualified. Individual only swimmers?

Dave B- there were Coaches that have pulled swimmers out to meet the numbers in the old chicago district. I am not saying current coaches would do it, but it has happened. We are shrinking. we need to do something to stop the shrinking.

Darren M- is this worth talking about later once everyone goes back to their districts.

Alex- can we discuss again in spring. with amended lagaunge

Dave H- I like Darren M idea. We need to take that back to our districts to have these division.

Darby- remember it will influence the money for awards/banners.

Carol- can we look at different math to make the divisions more fair

Proposed Rule Change Proposed by: Chicago Suburban District	Reason for Change	Amended Language	Passed/Failed/Tabled
R3 14.3.2.1 If there are fewer than 10 relays entered in an event that event will be swam as a Timed Final event during the Finals Session.	To make it automatic that the Prelim/Final relays will be changed to Timed Final if there is less than 10 entered. It also assures that everyone will know as soon as the psyche sheet is posted. This allows for some to be swam as		Dave H- motion to table. Kate Young- seconds. Tabled.

ILLINOIS YMCA SWIMMING

	timed final and some to be swum as prelim/final. This is for the long course meet only		
--	--	--	--

Notes Dave H- the intent is for only 9 or less relays, as we have 1 lane for warm-up during prelims. I would like for everyone to go back to their district for more discussion.

Dave B- to fall in line with YMCA Nationals and other swimming governing bodies with the age cut off.

Joyce- we had a discussion that december 1st was too early, but to look at when the championship season starts to look at the age up date.

Darren m- it does affect the 8 and under relays the most. I like the idea of setting the date of the district meet.

Kate Young- yes I have swimmers that will age up between districts and state.

Dave H- this is not something we can vote today.

Darby- go back to your districts and talk about what they want and recommend. Bring back to the state committee for discussion.

ILLINOIS YMCA SWIMMING

Chairman's Report

Illinois YMCA Swimming State Committee Meeting May 5th, 2024

Chairman's Report

For most of the past decade I have served in varying capacities of the Illini District and IL YMCA State Committees. I became involved early in my career in part because I knew there would be a time that it would no longer be practical for me to participate in this process. That time is now and I will no longer be able to continue to participate at the IL YMCA State Committee level.

I am fortunate to be a part of an excellent Association in Springfield. I remain the Head Coach of SPY, however my role within the Association is evolving from my current position. As such I will no longer be able to provide the same time, attention, or effort towards the IL YMCA Swimming State Committee as more of my time will be devoted to tasks in Springfield and the Springfield community.

I will not be able to fill any role that requires additional travel or to spend additional time away from my family. Should I be needed for non-essential roles which do not require my presence at any such meetings I may be able to accommodate that depending on the role.

I wish everyone on the State Committee good luck as you continue to serve the IL YMCA Swimming community.

As a whole we did better with getting teams and coaches registrations done in a timely manner. With coaches' deck passes for the state meet, we struggled with coaches that expired after they registered with national.

We still need a better way to make sure we have the most up to date list of the coaches in the state. This includes knowing the team's current emails, if they are planning on competing in the up coming season, and other information on their status.

As of 5/3/2024 following the release of the Official's survey/questionnaire, there have been 67 replies. Of those replying, 7 were either no longer Officiating, or were with a non-Y team. 20 teams had respondents.

Numerous emails back to individuals regarding their feedback provided in long form on the survey was provided from anything to more training, getting more officials, how to check expirations, search for classes, and various other feedback.

28 of those responses indicated they were not getting email from the State email server. This has been addressed to the webmaster.

During the last calendar year, we have had a realization of losing 9 Officials, but overall our numbers are staying more stable than the year coming out of COVID.

ILLINOIS YMCA SWIMMING

Our focus as the Officials Committee continues to drive engagement in the LC and SC State meets to have high participation levels and provide the swimmers with a championship environment, in addition to actively recruiting the 10-U age group parents.

Trainings in the state last year were the most I can recall since I was a new official, thanks in part to all of our trainers in State, and Cynthia Raatz from Wisconsin, providing many opportunities for new and recertifying folks to get virtual and stand up training. It does appear however, that we do need to do a better job at providing training on a deck level for the CJ position, as we did have numerous inexperienced CJ's at State, which I personally thought that some of them were overwhelmed at the position. I suppose that position is probably the hardest to do since many of our meets are run at minimum staffing levels.

I will continue my practice to travel to all districts to support various meets, as I know that Ana Johnson was shocked to see me at the Snowball Invite in January of this year. Most Officials know their district reps (or hopefully know) and having the Officials Chair show up at meets to put a face with the name is important to building and maintaining the relationships that we all have with our Officials, "old", and new.

Respectfully submitted,

John Williams

State Officials Chair

As you can see by the above chart there were several teams that were outstanding at submitting their meets. A lot of them were submitted either the day of or the day after. However, the same cannot be said for all of the teams unfortunately. One meet was submitted 130 days after the meet was completed.

Records Sub Committee Report

Illinois YMCA Swimming State Committee Meeting
May 5, 2023

All Records are updated an current as of the beginning of the 2023-2024 Short Course Season. Records will once again be updated and sent to coaches for review at the end of the 2024 Long Course Season. State Records are now in the State Meet files. This has caused a little bit of confusion as to why a State Meet Record is faster than the State Record but hopefully in a few years this will no longer be the case as the records get broken.

YMCA Swim Clinic Series Proposal

Dave Hedden, Will Barker, Kayleigh Kozlowski, Pam Soja, Dan Vale, Kate Young

Objectives:

1. For athletes, starting at a young age, to promote YMCA values and the sport of swimming, and paint the picture of what their pathway can be. At older ages, to nurture relationships between athletes on different teams, inspire kids to reach higher levels and help equip them with knowledge and resources to help them get there.
2. For parents, to promote the sport of swimming, specifically the benefits of YMCA swimming, and provide education on a variety of topics that will help them provide the best experience for their swimmer and set them up for success.
3. For coaches, to nurture relationships, share ideas and learn from one another.

Four potential tiers / progressions:

1. 10&Under Clinic
 - a. In an 8 lane pool, can accommodate up to 48 girls and 48 boys (6 per lane)
 - i. Invite based on top 48 scorers at short course YMCA State
 - b. Half day format (3-4 hours)
 - i. Girls in morning, boys in afternoon
 - c. Focused on technique, fun, meeting new kids and learning about the sport
 - d. Include parent education segment teaching about sport, benefits of YMCA swimming, tips for success
2. 11-12 Clinic
 - a. In an 8 lane pool, can accommodate up to 48 girls and 48 boys (6 per lane)
 - i. Invite based on top 48 scorers at short course YMCA State
 - b. Half day format (3-4 hours)
 - i. Girls in morning, boys in afternoon
 - c. Focused on technique, fun, meeting new kids and learning about the sport
 - d. Include parent education segment teaching about sport, benefits of YMCA swimming, tips for success
3. 13&Over National Prep Clinic
 - a. In an 8 lane pool, can accommodate up to 24 girls and 24 boys (6 per lane)
 - i. Invite based on top 24 scorers at short course YMCA State who are not qualified for YMCA Nationals
 - b. Full day format (6-8 hours)
 - i. Girls and boys combined
 - c. Focused on racing, training, motivation and bonding, plus educational topics such as nutrition, dryland and stress management
 - d. Include parent education portion to teach about benefits of YMCA swimming, nutrition, college search, tips for success
4. National Team Clinic
 - a. Invite all swimmers qualified for YMCA Nationals who plan on attending
 - b. Full day format (6-8 hours)
 - i. Girls and boys combined
 - c. Focused on racing, training, motivation and bonding, plus educational topics such as nutrition, dryland and stress management
 - d. Include parent education portion to teach about benefits of YMCA swimming, nutrition, college search, tips for success

Budget for each clinic

1. Minimum around \$35 per swimmer

ILLINOIS YMCA SWIMMING

2. T-shirt & swim cap (~ \$24 per swimmer)
3. Lunch (~ \$10 per swimmer)
4. Facility rental (YMCA facilities may host for free)
5. Stipend for any special presenters (e.g. Olympic athlete, nutritionist, sport psychologist, personal trainer)

Proposal is to charge a small fee (\$35-40) per swimmer to cover apparel and food. If there are facility rental fees or presenter stipends, the YMCA State Committee can use surplus funds to pay for those to keep the fees lower for families.

Staff

1. Staffed by YMCA swim coaches
 - a. All coaches eligible for a deck pass at YMCA State can apply to work clinics
 - b. Delegate from YMCA State Committee placed in charge of selecting coaches in a fair manner

Possible Locations

1. Joliet Y
2. Kishwaukee Y
3. Illinois Valley Y
4. Rock River Y
5. Ottawa Y?
6. Champaign Y?
7. Springfield Y?

Possible dates

1. Late March
2. April
3. Late August
4. September
5. Best dates would likely be during the offseason or early season when they're aren't a lot of swim meets

These are initial thoughts and subject to more feedback and adjustments. We can choose to hold all or some of the clinics each year, depending on availability of dates, facilities, staff and funding to run them. Consensus was to go with single-day clinics versus an overnight type of format to keep things simpler, less risk management, and more budget-friendly.

Chicago Suburban District Report Illinois YMCA Swimming State Committee Meeting May 5, 2024

The Chicago Suburban District Committee met on April 24, 2024. Of the nine teams that were in the water this year we had six teams represented at the meeting along with our Official's Chair.

We reviewed our district meet that was held at Sage YMCA where we had all 9 teams participate. 396 of our 686 swimmers swam in our combined District & Jr District Meet. The meet ran well however we were struggling to find officials.

Since our last State Meeting our District Ratified our District Rules and By-laws. We will be electing new Officers and State Representatives at our next District Meeting that will be held on August 21st, 2024.

Respectfully Submitted.

Illinois YMCA Swimming

Illini District Spring Meeting

The Illini District Committee met on Sunday April 14th at 9am at the Canton YMCA and virtually. There were 9 teams represented.

Coaching Changes/team check ins,

- There were no changes to team contacts of those teams that were present.
- Seven teams plan to attend summer state.

District Representatives/positions

- The four representatives will remain the same. Carol, Danielle, Darren, and Joyce
- Alex has been serving as both district secretary and treasurer. Joyce will fill the role of secretary and Alex will remain as treasurer.

Jr. District meet -Heartland hosted and visiting teams were pleased with how the meet was ran.

District Meet

- Springfield hosted a time trial and championship over the course of two and half days.
- A suggestion was made to move awards away from the doorway to the pool, something to be discussed in the fall.

State Meet discussion

- Look at hiring marshals from outside of teams.
- Overlap of 10 and under sessions with finals sessions
- Space to have town center which we realize is not always in our control.
- Equipment issues with Lake Central

Review of new business from the fall

- Admins for websites..have two admins or even one from each district
- Age of meet discussion, discussed birthyear vs. age at start of meet. Main concern is those that age up between districts and state.
- Team awards/team divisions- looked at other ways to divide awards. Discussion on using qualifying individual swims instead of roster size.

Report Prepared by Danielle Schnake

ILLINOIS YMCA SWIMMING

Illinois YMCA State Swimming Northwest District

The Northwest District Committee of Illinois State YMCA Swimming held a meeting on March 17, 2024, at 9:30 AM at the Kishwaukee YMCA. In attendance Kayleigh (DCST), Paula (DCST-official), Christy (Ottawa), Kim (FVFY), Matt (Kewanee), Rachel (RRV), Kate (ILVY), and via Zoom Marty (Ottawa – Official), Jennifer (Kankakee), Tom (Ottawa – Official), Nancy (Dixon)

2025 Northwest District Meet is February 28 - March 2. DCST will host. FVFY will co-host. The NW District is not too happy with having to have our District meet on the IHSA state weekend due to the state meet being so early.

Items for Discussion for IL State committee meeting in May

- Please consider officials as volunteers when assigning timers
- Timers for finals should be the larger teams with the most swimmers in finals.
- Many of the volunteers were from the Northwest District. Larger teams need to step up and help.
- Need signs stating no coolers in the stands.
- Some teams did not have anywhere to sit on the pool deck.
- Swimmers with chairs on deck are not allowed.
- Parents should not be allowed in awards area or by podium for photos. Caused lots of congestion this year.
- Teams should be able to add swimmers to events up to the scratch deadline without penalty if there are open lanes.
- Event #620 – Clinton Otters – Boy fell and they pulled an 8&under, so relay swan out of order. Shouldn't that be a DQ?
- KT Tape on shoulders. Allowed or not?

2024 Illinois YMCA Swimming Championships Meet Director's Report Illinois YMCA Swimming State Committee Meeting May 5, 2024

I would first like to thank my Championship Committee of John Williams, Alex Totura, and Darby Brtva. All of them spent a lot of time and several conference calls this past season to make this meet a great success. I would also like to thank John for his work coordinating the Officials. Thanks also needs to go out to Darren Moser for stepping up and taking on the role as Meet Referee and running a great meet as well as Paula Hastings for taking on the role of Administrative Referee. You both did an outstanding job. A big thank you is owed to all the officials who came out and helped officiate the meet. Many of these officials, like at other meets did not have any swimmers even swimming in the meet. It was great to see a full pool deck of officials again. I could not continue without out sending a thank you to Springfield, Ottawa, Knox County and Fox Valley YMCAs and all the individuals that signed up to Marshall for stepping up and helping with the operation of the meet. I as well as the members of the Championship Committee believe the meet was very well run even with the few bumps we ran into during the meet.

Entries- Our number in individual events (2716 up from 2294 in 2023), total number of athletes (878 up from 784 in 2023) and relays (346 up from 344 in 2023). In comparison if we would have had the 2020 meet we had 3048 individual events, 1092 athletes and 427 relays.

Format- the format continues to work.. I still believe that we need to look at least at how many heats of the 1650's, 500's & 400's we really want. Our system for calculating qualifying times works but it is currently set at trying to achieve 3 heats in each event. I personally feel that this may be too much for the 1650's, 500's & 400's and we should probably aim for two heats of each.

Now the question remains for the rest of the events. One of the big things we must keep in mind is that in order to keep both meets financially viable we need to hit a certain number of entries. All sessions seemed to be healthy. The Mixed Relay's fit in nice and added a little extra time to the mid sessions. I will be talking about the qualifying times in new business.

Meet Staff- We had several more Meet Marshals this year and I am thinking we need to change the focus of our Marshals.. In the past besides the main doors we have been attempting to put Marshals up in the stands to police that area. This has failed time and time again as the spectators in the stands to not listen to them or anybody other than their team's coaches. I would like to keep the marshals down on the pool deck watching the doors to the pool deck and the doors to the locker room in the hall way. I would also like to post a Marshal at the warm-up/cool down pool to try to keep the one-way sprint lanes exactly. As far as the stands I will be asking the Facility Coordinator to have Lake Central add a Police Officer to our rental so that they can control the stands. I have tried to see if I can find a group in the area that would be interested in making a little money to be the timers for both Finals sessions to take the burden off of our teams but have had no luck so far.

Meet Budget- Overall the budget looks good (see included). We are still waiting on

ILLINOIS YMCA SWIMMING

numbers from the photographer, swim shop and hotel. We were over budget in all revenue line items. On the expense side we were over budget in a few items but most are due to the increase in the amount owed to Indiana Swimming because on more swimmers and swim than what we budgeted for.

We still need to continue to encourage teams to use the hotel booking system with the Convention Bureau. We receive a cut for all rooms booked with them which in turn helps pay for the State Committee rooms. Another added benefit to this is the school also receives some money from this and helps keep us on their good side.

Proposed Rule Change Proposed by: Illini District	Reason for Change	Amended Language	Passed/Failed /Tabled
R2 9.2 Team awards will be awarded to small, medium , and large. Team size will be based on practice roster including high school swimmer as of 2/1. Teams with 100 or more swimmers are a large team, teams with 50-99 swimmers are a medium team, and teams with 49 and under swimmers are a small team.

R3 14.3.2.1 If there are fewer than 10 relays entered in an event that event will be swam as a Timed Final event during the Finals Session.	To make it automatic that the Prelim/Final relays will be changed to Timed Final if there is less than 10 entered. It also assures that everyone will know as soon as the psyche sheet is posted. This allows for some to be swam as timed final and some to be swum as

Proposed Rule Change Proposed by: Illini District	Reason for Change	Amended Language	Passed/Failed /Tabled
P1 Illinois YMCA Swimming will pay up to \$25 dollars for any YMCA official training that is held within the boundary of the IL YMCA Swimming area. If the training is virtual the state committee will also pay up to \$25. If an individual chooses to attend a training outside of the IL YMCA Swimming area. It is up to the district to cover the cost of training outside of the IL YMCA area and to cover anything above the \$25 for virtual training.

Proposed Rule Change Proposed by: Illini District	Reason for Change	Amended Language	Passed/Failed /Tabled
R1 Rule 3.1 A swimmer's age classification for competition shall be determined by the swimmer's age on the first day of the meet. A swimmer's age for the district and state meets is their age as of February 1st.	This is in support of teams with smaller numbers the ability to continually practice as a relay that has qualified and penalizing the swimmers as it relates to a relay.
