Asked for a letter from new members from their Y's CEO stating who is the voting member of the Northwest District Committee. That can be emailed to me.

DCST will provide a metal count to Kate ASAP so that we can have that to the State Committee by the next meeting, September 10.

District Chair and District Representatives to the State Committee will remain the same. Paula offered to be an official rep to the state committee if Tom Ditchfield is not interested.

Discussed the 2023-2024 swim meet schedule. A draft of the master meet schedule for the Northwest District is attached.

Reminded teams that the Team and Coach registration opens on September 1.
