MDSI Rules shall also apply. • USA Swimming / MDSI Safety Guidelines and warm-up procedures will be in effect for the entire meet. • All adults participating in or associated with this meet acknowledge that they are subject to the provisions of the USA Swimming Minor Athlete Abuse Prevention Policy ("MAAPP"), and that they understand that compliance with MAAPP is a condition of the participation in the conduct of this competition. • Please note that the timing equipment uses a strobe as part of the starting equipment. Therefore, flash photography is PROHIBITED at the start of all the races. • No one will be allowed on deck unless they are registered with USA Swimming as an athlete, coach or official and/or those who are part of the timing, marshal and administrative staff assisting with the conduct of the meet. • The MDSI Scratch Rule is in effect for this meet. If a swimmer fails to swim after checking in, the swimmer will be disqualified from his/her next individual event. Swimmers failing to positively check-in will not be penalized nor allowed to compete in that event. Use of a declared false start will not eliminate this penalty.

No Deck Registrations will be permitted. ● Use of audio or visual recording devices, including a cell phone, are not permitted behind the starting blocks or in changing areas, restrooms or locker rooms. ● Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present. ● Videotaping or picture taking on deck, by any meet volunteer, shall not be permitted. Health Guidelines	● All meets in the Maryland Swimming LSC are guided by the Maryland Department of Health and Mental Hygiene. This not only applies to Viral Gastroenteritis but other infectious diseases as well. The Meet Referee has the authority to inform and protect coaches, spectators, volunteers, and swimmers from a potential outbreak of illness.

	At the discretion of the Meet Referee, anyone who exhibits symptoms of illness may be asked to withdraw from the competition for a 24-hour period. Swimmers must be cleared, by the Meet Referee, prior to returning to competition.
Swimmers with Serious Medical Conditions	- The swimmer's coach is responsible for notifying the Meet Referee, prior to the competition, of the medical condition that is potentially life-threatening while swimming and of any requested accommodation. Early notice (e.g., concurrent with the meet entry) is encouraged to allow for any needed planning or logistical support. - If the swimmer has a history of needing assistance exiting the pool at the completion of the race a coach must be in place to provide that assistance. - This provision does not apply to medical conditions that are not life-threatening while swimming including injuries that limit range of motion.
