MD SWIMMING JOB POSTING APPLICATION

Name of Club/Pool/Organization	Calvert Aquatics Club (CAC)
---------------------------------------	-----------------------------

Location	Prince Frederick MD
-----------------	---------------------

Position(s) Open (Short Job Description)

Calvert Aquatics Club ("CAC") is seeking applicants for an assistant coach position. Located in Prince Frederick, MD, CAC is one of the up & coming clubs in the region. Based out of the Edward T. Hall Aquatic Center, an indoor 50M pool which opened in 2010, and is conveniently located just off Route 4, the main north/south thoroughfare in Calvert County. Our close proximity to the Washington, DC metropolitan area results in a steady influx of families for a moderate cost of living & a reasonable commute up to DC-area jobs; an exceptional opportunity to grow the club is the net result. Bordered by the Chesapeake Bay to the east and the Patuxent River to the west, there is no shortage of year-round outdoor activities in Southern Maryland.

CAC, founded in 2015, is a MD LSC club with 180+ student-athletes, ranging from Novice to Future qualifiers. CAC is a year-round, USA Swimming club which routinely hosts MD/USA Swimming sanctioned LCM and SCY meets. The team and coach is supported by a volunteer parent board, as well as multiple assistant coaches and a full complement of certified meet officials sufficient to independently conduct swim meets.

Requirements

Current USA Swimming coach member in good standing, including lifeguard, first aid and all USA Swimming coach courses and certifications

1-3 years of club, high school or college swim coaching experience

At least a high school diploma

Must have basic computer skills and the ability to learn new programs. MicrosoftOffice (Word, Excel, and PowerPoint - or equivalent) and Gmail

All appropriate & valid licenses/Certifications/Registrations for USA Swimming

Required to maintain USA Swimming coach certification, including first aid and life-saving requirements

Must pass USA Swimming and CAC background check and drug test requirements

Legal authority to work in the USA
