

I hope everyone enjoyed the holiday and were able to spend time with family and friends. The NAAC Mini Meet is quickly approaching. Thank you for attending the meet this Friday in Lejeune Hall at USNA. Unfortunately, we have had to push back the start of the Mini Meet by an hour in order to accommodate the Midshipmen. Therefore, we will be starting warm ups at 6 pm with the Meet starting at 6:30pm. NO athletes are to come on deck prior to the Midshipmen exiting the deck, which should occur by 5:40 pm. Please be patient and wait upstairs (up the ramp or stairs) or outside. Please make sure your team's parents or guardians know this. Thank you!

I have attached the latest Psych Sheet and Timeline. The timeline runs to 9:18pm but I have 15 minutes of extra time built in for the athletes/Starter to change sides of the pool. This time can be decreased with efficiency. We have added extra personnel to our Clerk of Course (which is labeled on the attached warm up and seating assignments) so please make sure your athletes understand that they report to the Clerk of Course before their event so that the volunteers can line them up and lead them to the start efficiently.

All athletes must be fully clothed upon exiting the deck - shirt, pants, shoes. And as always, no parents are allowed on deck or in the locker rooms. Athletes can enter the locker rooms on the first floor under the ramp. There will be Marshals at all doors available to direct parents and/or athletes to the locker rooms and stairs to the upper level stands for spectators.

I understand that this is not what we all had planned. But it truly is a privilege for these athletes to compete in a Div 1 competition pool. Thank you for your understanding.

Any problems or questions, please don't hesitate to ask.
