

Subject: Help Us Make Our Club a Safer Place – Complete Training by **March 13**

Dear NAAC Parents and Swimmers,

We need your support to make our club a safer and more welcoming environment for all members!

NAAC proudly endorses USA Swimming's **Safe Sport and Safety Programs**, which provide valuable resources to protect athletes and promote a positive experience. You can find these resources on our website www.swimnaac.com or at [USA Swimming Safe Sport](#).

Our Goal: Become a **Safe Sport Recognized Club** through USA Swimming.

To achieve this, we need your help! One key requirement is completing a short (15-30 minute) online training course. USA Swimming tracks participation, and the more parents and athletes who complete the training, the closer we get to recognition—and the safer our club becomes.

What You Need to Do

Please take a few minutes to complete the training that helps protect our swimmers and strengthens our community.

Deadline: Please complete the training by **March 13**
