Terrapin Trail Garage should be open for Sunday Finals Parking.

The game starts at 12:00PM. In the afternoon, parents will be able to use the circle in front of the pool entrance to drop kids off, but should plan on extra traffic.

Parking for those with a disability is located in front of the Eppley.

Spectators: After you enter Eppley, take a left before the turnstiles. Then, you can't miss it.

No parking is allowed in the circle in front of the pool entrance. This is for rapid drop off and pick up of swimmers, only. UMD will rigidly enforce this.

BUSES:

Drop off is allowed in front of Eppley, only. Do not have them come down the circle in front of the pool.

Parking for buses is in the UMD Golf course parking lot. After the buses drop-off in front of Eppley they will go back to the entrance to the light. At the light, they will go straight across 193 to Golf Course Road. Go to the parking lot and they should park near the edge of the lot that is closest to the road and is near the dumpsters.
