

SUMMER 2022 COMMUNITY SPONSORSHIP

The Sharks remain the only organized community athletic activity in the Smoky Hill Metro District. We are a local non-profit summer swim program located at 5405 South Telluride Street, Centennial, Colorado 80015.

Swimming, especially competitive swimming, offers numerous benefits for the children such as building self-esteem, teamwork and physical conditioning. We believe in community involvement that strengthens relationships between our organization and local businesses. This valuable relationship is a benefit to all, as both sides provide support to each other. We, as a local nonprofit organization, are asking for your support for the 2022 Smoky Hill Sharks season.

As a community sponsor, you and your business can help the Sharks obtain and maintain resources critical to the team's seasonal success and longevity. It is our team's desire to keep costs low for local families while investing in the highest quality of service. This year the Sharks' goal is to replace costly aged team equipment and invest in lifeguard training for all our young coaches. Every dollar raised will bring us one step closer to this goal. Thank you for your consideration.
