If you already have a member or member(s) registered with the BAC, simply make sure the information is correct.

If you are new to BAC, enter the information for your swimmer.

Register this Member to this Group

Please select the correct group. Group placement decisions are solely within the discretion of the coaching staff. If you have any questions, ask the coach about group placement.

Note: The 2nd Bulldog/Senior Dog option is only available for families that have two more swimmers currently swimming in the Bulldog or Senior Dog group. If you don't have two or more swimmers in one of these two groups, you are not eligible for this option. For example, if you have a swimmer in the Bulldog group and a swimmer in the Jr. Dog group, you must register for the Bulldog and Jr. Dog groups, you cannot register either of your swimmers as 2nd Bulldog/Senior Dog.

Note: High School swimmers, remember to select the appropriate group. There is a high school option for girls for Session IV since the girls will leave early to start high school swim. There is a high school option for boys for Session I since the boys will leave early to start high school swim. There is a high school option for boys for Session II since the boys may return before the end of the session after high school swim ends.
