

BAC Member Financial Responsibilities Policies and Procedures

Middle & High School Swimming

Bulldog Aquatic Club encourages its swimmers to participate in their school swim programs in both Middle and High School. BAC has made adjustments to its Session Dues to accommodate swimmers who are involved in said programs.

High School Swimmers

High School swimmers involved in the Girls' season will find pro-rated Session Dues during Sessions 1 and 4.

High School swimmers involved in the Boys' season will find pro-rated Session dues during both Sessions 1 & 2.

Returning BAC Swimmers involved in the High School swimming season are responsible for full payment of their USA Registration Fee and the BAC Family Fee, as stipulated in those related policies.

Middle School Swimmers

As Middle School swim programs gain popularity, year-round swimmers are encouraged, by school coaches, to continue to practice with their year-round team, even during the Middle School season. BAC Swimmers who have been placed in the Puppy, Underdog or Junior Dog swim groups will not receive a pro-ration of Session Dues while participating in their Middle School program. BAC Swimmers who have been placed in the Bulldog or Senior Bulldog swim group may receive a pro-ration of their Session 2 Dues.
