How to use the Waves website

Our website

The Waves have partnered with Team Unify for our website service needs. Team Unify provides a single platform for swim teams to manage their needs. Our website will provide you with many tools and services at your fingertips from any computer.

This document will help answer some common questions about using the website. Please take some time and explore the web site to see what is available to you.

We are also happy to help you with any questions you may have and there are no “silly” questions. We want you to have a good experience with the site!
