## Club Entry Chairperson Information Sheet

1. **The Summary Page**, the **Release and Hold Harmless Agreement**, and a check must be sent **within 7 days of notification of acceptance**. Failure to send all of these can be cause for rejection. Make checks payable to Brownsburg Swim Club
2. The Meet Entry Chairperson will e-mail each club notification of acceptance. We fully understand your needs to confirm transportation and hotel accommodations. Notification of acceptance will be conditional until the accompanying paperwork (See item 1) and check have been received. The Brownsburg Swim Club will send a final confirmation of acceptance when the paperwork and check have been received.
3. Regarding your entries:
  - During morning prelims, 13-14 year olds' events and Open events for each gender are swum in different pools.
  - If you enter a swimmer in more than three events in one day and do not scratch back to three by that day's scratch deadline, we will remove the highest numbered event to reduce the count to three.
  - If you enter a swimmer at a time slower than the "BB" time standard, we will change the time to equal the "BB" time for purposes of pre-verification of the Entries. You risk a missed cut and associated fine.
  - Time updates will be accepted until January 14, 2026.
  - As long as the meet is not full, we will try to accommodate late entries from your team if they are received by e-mail before January 7th. We reserve the right not to accept any late entries in events that will adversely affect the time line.
4. Pre-verification for **Friday** events must be received by e-mail or mail no later than 5:00 p.m. Wednesday, January 14, 2026. Circle the names or ensure names are readable on transmitted copy. Acceptable pre-verifications include: USA Swimming Sanctioned or approved meets, College, High School, Junior High, YWCA or YMCA meets sanctioned by their respective governing organizations, websites (provided that the web host address is printed on the copy), Verification slips, time cards, timing system tapes or photocopies of such which are signed and dated by a referee. 3. Friday afternoon 1650s are limited to the fastest 24 swimmers per gender filling up to six heats as described in "Meet Format". Friday evening events are limited to the fastest 40 swimmers. Swimmers **should** check in for these events regardless of their seed position as alternates will be taken based on those swimmers who have checked in. Two pools may be used. These will be swum fastest to slowest.
4. Pre-verification for Friday events must be received by e-mail or mail no later than 5:00 p.m. Wednesday, January 14, 2026. **Circle the names or ensure names are readable** on transmitted copy. 5. Swimmers are presumed present. If they should be scratched from an event and avoid failure to scratch penalties, there will be a scratch box near the west control room. Scratches must be in 45 minutes prior to the start of the session. We will have single event and whole-meet scratch slips. **This changed starting in 2017.**
6. We will **not** be using a "Clerk of Course". Swimmers are responsible to report to the blocks for their events. We will not insert swimmers into subsequent heats if they miss their assigned heats. Missed swims will cause scratch for penalty situations for 13 and over events.

For example, the 10 & under girls will swim the 100 breaststroke in the North pool, while the 11-12 girls are swimming the 50 freestyle in the South pool. It is important that swimmers pay attention to their assigned pool.
