May the Fourth Meet Results

We kicked off our summer meet schedule with our May the Fourth Intergalactic meet at Milford. This is our second time hosting with this meet theme and it was a great success. A big part of that success is due to all the wonderful volunteers who work hard to make this happen. A big thank you to everyone who volunteered your time, effort, and support!

Our swimmers were the stars of the show with many best times, and swimmers swimming new events for the first time. Many swimmers achieved National Motivational Time Achievements. See page two for a full list of our meet achievements.

News & Notes Notes

Occasionally due to unforeseen circumstances, practice schedules can change without much notice - especially when some practices move outdoors. Be sure to always check the [daily calendar](#) and follow the team feed for the most up to date information on practice times and locations. Continued on page 2.

Folders

Each swimmer has a folder with their name on it. After meets that have awards, anything your swimmer earned will be placed inside. Coach will remind them to check their folders periodically. Your swimmers' folder can be found at their main practice location (Milford or Hartland Pool).

Splash & Dash Open Water Meet

We will be hosting an open water swim meet on June 26. This meet is open to all Penguin swimmers who have previously competed in either a 400 meter or 500 yard pool event. There will be three distances offered:

- 1K swim (10&Under swimmers)
- 3K
- 5K (For swimmers 13+)

For many swimmers this will be their first open water opportunity, so do not fear, you will be in good company! Coach Janette will be offering open water practices leading up to the meet. Swimmers can also be escorted during their event by a parent in a kayak, or by an adult who registers to swim in the meet as a US Masters Swimmer.

More details about this meet including volunteer opportunities will be available soon!

News & Notes Continued...

Over the last couple weeks Michigan Swimming has added additional meets to the summer long course calendar. This means new opportunities will be open to us. The team will post updates as more information becomes available. New meets we plan to attend will include the **OLY Summer Classic, June 27-29**, and the **OLY Grizzly Summer Sizzler July 11-13**, both at Oakland University. Stay tuned for more details!
