SUMMER WATER POLO

Learn how to play better water polo by refining your skills, improving your technique, learning game strategy, improving your swimming, and scrimmaging other players. Our summer team is for male and female athletes going into grades 7 & up who want to prepare for their junior high, high school, or collegiate water polo season and improve their overall water polo knowledge and fitness level. **Athletes going into 7th & 8th MUST have played one full JH/AG water polo season to sign up for this group.** Scrimmages with other clubs may be planned throughout the summer. Costs incurred at tournaments will be split by the athletes competing in them. **This is not a JO/Travel Water Polo Team.** If you want JO info email Jen C or contact your current HS coach.
