Michigan Swimming
2015 House of Delegates Meeting Minutes

10. Brad Craig—Fitter & Faster

2. **Call to Order:** Welcome by General Chair/HOD Meeting Procedure and Voting explained.

- a. Meeting called to order at 1:17pm by Katy Dean.
- b. Katy gave an explanation of how speaking will occur. Delegate must come up to the podium to be recognized before speaking.
- c. Katy gave opening remarks from her report that highlighted performances of the past year and thank you's.

3. **Approval of Minutes**

- a. **Motion to approve 2014 HoD minutes** – Ahern Naylis
- b. **2nd** - Ray Onisko
- c. **Passes**

4. **Yearly Reports: No reports were pulled. All reports are accepted.**

- a. Treasurer and Finance Vie Chair with proposed Annual Budget. (Majority vote required to approve.)
 1. Dan Meconis talked about how the finance committee came up with the budget. They gather information from departments and look at past history.
 2. New line item for Merchant Fees. Associated with teams now paying Michigan Swimming with ACH and/or credit cards. BoD had discussed these fees at past meetings and agreed that Michigan Swimming will absorb the additional costs.
 3. There was a finance meeting on Sept. 21st and the budget was presented to the BoD on Sept. 28th. BoD approved the budget to go to HoD.
 4. Budget has to be zero or show a surplus. Finance committee took a conservative approach.
 5. Question from Erica Zuecher about the increase in budget for General Chair from \$2500 to \$5000. This is a result of having meetings at a more professional location (Okemos Conference Center, Lansing Center). These venues do incur a cost.
 6. Question from Julie Youngquist about the Merchant fee and why aren't clubs responsible for absorbing those costs. Michigan Swimming agreed to absorb those costs.
 7. Question about why Diversity budget went up. More programs coming from USA Swimming that will incur costs.
 8. Question about why Para Swim budget went up. Went up because of more involvement and possibility of bringing at Para swim meet to Michigan.
 9. **Motion by Josh Wood to approve budget.**
 10. **2nd – Dawn Gurley**
 11. Passes
- b. Michigan Swimming Office **(See report below)**
- c. Division Chairs and Committee Chairs **(See report below)**

5. **Special Report:**

- a. B.J. McCoy, re-cap of Convention attendance as Coach Rep.
 1. Brent McCoy gave a brief review of his trip to convention.
 2. He was very appreciative of the opportunity and said he was busy all of the days at seminars.
 3. John Bradley is the new Zone coach rep.
 4. USA Swimming is big on no more deck changing.
 5. You can wear up to two caps.

**Michigan Swimming
2015 House of Delegates Meeting Minutes**

6. Talk of making sure that athletes have 20% representation.
7. There will be a meet next summer in Omaha called the Omaha Cup. It will be a last chance meet to qualify for Olympic Trials.
8. Mega Zones next summer August 3-7 in Indianapolis.

6. Old Business:

a. Safety Chair proposals tabled from 2014 HOD Meeting.

1. Laurie Davenport (current Safety Chair) talked about old proposals from Adam Hopkins related to the collection of EAPs and best way to handle. She talked about how EAPs are not a responsibility of the Safe Sport duties and it should fall under Safety Chair duties.
2. Josh Wood talked about how these proposals ended up in front of us today as they were tabled over the last 2 years. It is old business so it only requires a majority vote.
3. Erican Zeucher said the EAPs should stay with the Safety Chair position.
4. Jeff Cooper asked how these proposals are different from our current rules.
5. Patrick Saucedo said the standard template (Under proposal R2) may cause problems for different EAPs and facilities.
6. Jan Cartmill said this would be a lot of work for the MS Office.
7. Point of Order – John Loria. It is a block and items should be pulled.
8. Ahern Naylis requested that all proposals be pulled.
9. **Motion by Laurie Davenport to change start date to Sept. 1, 2016 for all proposals. 2nd – Ray Oniski; Passes**
10. Josh Wood said he would be in favor of the standard template.
11. Ahern Naylis said it should be up to the facilities to decide so as to avoid any legal entanglements.
12. **Call to question – Jeff Cooper. Passes.**
13. **Motion to accept R1 – Ahern Naylis; 2nd- Vince Gallant; Passes.**
14. **Motion to accept R2 – Mary Perczak; 2nd – Jeff Cooper; Fails.**
15. Mary Perczak talked about Safe Sport and Safety Chair are actually two different jobs/positions according to USA Swimming. Recommend that the jobs either be split or have a committee to help Safety Chair.
16. JT Gurrien asked what happens with the EAPs and who is responsible for reviewing. Current practice as described by Laurie Davenport is to take in the EAPs and just keep a list of those that have submitted. There is no review process.
17. Phyllis Avery felt that based on her own experience that these proposals don't address current issues.
18. Geneen Bradley stated that by filling the EAPs, it helps protect the clubs, facility and Michigan Swimming.
19. **Call to question R3 – Ahern Naylis; Passes; R3 fails.**
20. **Call to question on R4 – Ahern Naylis; Passes. R4 fails.**
21. **Call to question on R5 – Ahern Naylis; Passes. R5 fails.**

7. Elections: Elections for General Chair, Program Development Chair, Finance Vice Chair, and Nominating Committee. Treasurer Report

HOD October 10, 2015

Attached please find the 2015 “Preliminary” Fiscal Year End Financial report for Michigan Swimming and the current year end Balance Sheet report. The status of the financials will be covered in the Finance Chair report.

At this time we are in the process of making all final adjustments. Our accounts are in the process of reviewing the records and preparing the annual tax return which we hope to have completed by November 30 if not before. Once

**Michigan Swimming
2015 House of Delegates Meeting Minutes**

the return is available we can begin the process of our annual internal audit as required and suggested by USA Swimming.

Also attached please find for your review the recommended Budget for the 2015/16 Fiscal year for approval.

Convention

We were fortunate enough to have both Senior and Junior Athlete Representatives attended and vote at Convention this year in Kansas City. It was a very informative and fun experience and we are looking forward to bringing some of the ideas back to Michigan!

Logo Design Contest

After coming up with new core values and a new vision Michigan Swimming decided to get a new logo. The athlete representatives were put in charge of reaching out to the swimming community and asking the athletes to submit original designs that included our four new core values. We promoted the event from our social media accounts and got great results! We have picked out our top designs to be voted on by the Board at the House of Delegates meeting.

Community Outreach

We are starting a new initiative to get more involved in community outreach and volunteering as an LSC. To start this off, we are organizing a can food drive to be held within the next month or so. We want this be held prior to Thanksgiving and for the canned goods to be donated to a local food bank. After the House of Delegates meeting we are going to send out emails to teams asking if they would be interested in incorporating a can drive into their meet. We have also started organizing a larger community outreach event to happen this coming spring.

Michigan Swimming: Values, Vision, and Mission

Core Values: Integrity, Inclusion, Education, Excellence

Vision: "Pure Excellence (logo TBD) Made in Michigan Swimming"

Mission: Michigan Swimming inspires excellence through education and develops integrity in a fun, inclusive environment.

Thank You, to all of our Michigan Swimming Volunteers!

Special thanks this month to coach Joshua Wood who is running for 2015-2016 Junior Coaches Rep. (Bio on the following page)

Annual Michigan Swimming LSC House of Delegates Meeting - Saturday, October 10

It is essential that coaches are actively involved in running the LSC. Ideally, all coaches should be able to attend the HoD meeting. In the future, we will suggest no meets are held on the weekend of HoD, so that all coaches have the chance to make their voices heard.

Thank you to all the coaches running for BoD positions ([Bios here](#)):

- Vince Gallant - General Chair
- Gary Stickler - Finance
- Jim Whitehead - Secretary
- Josh Morgan & Ray Onisko - Program Development

Participation on committees is always encouraged and welcomed. If you have a particular interest, please contact the appropriate committee chair to see how you can advance the goals of said committee.

Swim with Pure Speed in Michigan!

Michigan Swimming Finance Division Report

The fiscal year ended August 31, 2015 was financially a very good year for Michigan Swimming, Net Income before final adjustments is projected to exceed \$74,000.

Registered athletes were down slightly versus the year ended August 31, 2014 but this was offset by the \$2.00 fee increase approved by the Board several years ago.

Michigan Swimming
2015 House of Delegates Meeting Minutes

Meet revenue increased to almost \$95,000 for the year due to more meets and increased athlete participation.

One area of expense which is disappointing is the athlete travel reimbursement. While we budgeted \$20,000 the total paid or accrued was only slightly over \$10,000. A 2016 objective of the Finance Division is to work with the clubs and coaches to ensure that our athletes are aware of the travel expense reimbursement program and to make it easier for our athletes to apply for reimbursement.

At the July Board meeting the Finance Division was informed that in order for the LSC to maintain its LEAP certification we would need to conduct an audit of the 2014 financial statements and submit it to USA swimming prior to August 1, 2015. With the assistance of 2 club parents, with financial backgrounds, we were able to perform the audit and submit the financial information to USA Swimming prior to the August 1, deadline.

Effective with the current fiscal year substantially all payments to Michigan Swimming must be made by credit card or ACH transfers. This payment method will streamline the payment process for the member clubs and Michigan Swimming.

During the last quarter of the fiscal year the Finance Division began gathering information for preparation of the fiscal 2016 budget. The budget was reviewed and unanimously approved by the Finance Committee at a meeting held on September 21, 2015. The budget was then unanimously approved by the Board of Directors at a meeting held on September 28, 2015. The proposed budget will be presented to the House of Delegates for approval at the October 10, 2015 meeting.

2016 Finance Division Projects –

- Ensure that athletes and member clubs understand the travel reimbursement process.
- Revise and simplify the athlete reimbursement forms.
- Work with our investment advisor to develop a sound investment program for the LSC.
- Improve the monthly reporting of revenue and expenses and expenses including developing and implementing a standard monthly reporting package.
- Be proactive in meeting the 2016 LEAP reporting requirements on a timely basis.
- Continue the work started at the 2015 Strategic Planning Meeting to position the LSC to be able to bring on a full time Executive Director in the future.
- Work with Program Development to fund programs that develop all athletes.

RE: Program Operations and Program Development Michigan Swimming Summary Reports for 2015

Date: October 10, 2015

Michigan Swimming
2015 House of Delegates Meeting Minutes

Following is the report for the Program Operations Vice Chair and Program Development Vice Chair.

Program Operations:

Program Operations has had a busy year. As MISwim continues to work through our growth, and challenges associated with both our size and our structure to support, the overarching goal of Program Operations became that of understanding the needs and wants of the membership. It was a rough year in many ways, but also one of positive changes. The “experience” of our Championship meets and specifically our State Championship meets have had a significant amount of discussion. We have made progress, but have more to do. In the last year:

- Scheduling has been moved to a two year planning calendar and we are actively working to improve the information and structure for the LSC.
 - The process is evolving to allow more time to teams in the sanctioning process, getting meet information, and registering for meets.
 - More measures are being put in place to handle opportunities for clubs getting shut out of large meets, and, hopefully, get more meets made available for our athletes
 - A simpler Meet template is being moved to as meet hosts learned in September at the Swimposium
 - Bids will become more informational earlier for our active Meet Scheduling Committee to review
 - A more reactive approach to helping the overall experience of our meets to be successful. Not only on the deck (Athletes, Officials, Coaches and Host Volunteers), but in the stands (spectators) and the communities (sponsors and businesses) that these meets are held.
 - Finally, we have learned a lot about our State meet packets this past year. These can and will improve for the future State Meets with earlier communications and distribution. Between how the meets have executed and the size of sessions, we will work to get these in the best in better shape.
 - SURVEY watch for a second survey coming soon, mostly to do with Formats from Program Development, but implications on Program Operations as we work together to understand the wants and needs of the LSC in whole.
 - We have a need to align our State meets for consistency. This is a must for our Athletes growth and development.
- Open Water has been a struggle in the initial sanctioning process. Much more detail is required and we need sites to host these events.
 - A committee has been formed and charged with getting our Open Water venues listed, educated, and promoted.
 - We are looking at potentially two sites this next summer and a 3rd for our first “Open Water State Championship” in August, 2016
- If you have an interest in hosting an event and a site, please contact Program Operations so that we can help you get started. This is not a quick process, but a great opportunity.

**Michigan Swimming
2015 House of Delegates Meeting Minutes**

- NTV Chair Don Kimble has been busy this year with Meet Approvals and Observations. Our Club level, High School and Collegiate meets have been getting his attention when requested and Don has been a great advocate for getting the athlete's times to count when not at Sanctioned events.

There are several proposals being submitted from myself under Program Operations for HOD consideration on the floor. Many of these are to clean up language in our current R&P that are inhibiting to making timely adjustments to our Time Standards and Meet formats as Program Development and Program Operations, with the approval of the BOD, should be able to make in accordance with our By-Laws. There are additional proposals to make our State Meet Schedule and Formats more fluid and to improve the overall experience of our State Meets as noted in this report. I feel strongly about these as do a majority of the committee member I work with. While I would like to have had these to the BOD earlier for consideration and review, I simply did not have the opportunity to do it sooner. That said, I would also state that I prefer these have a 2/3 support from the HOD to ensure that it is not a simple majority. Without that level of support, I would not want to change the R&P.

Program Development:

Though not my elected position, Program Operations was appointed to me in November, 2015, with the resignation of the former Vice Chair. At first I was concerned that I had taken on way to much, but through a system of committees, I have been able to work closely with the Program Operations side of my "desk" to get coordination between the two divisions and move several projects in unison. This area had a great number of needs to attend to, including time standards that were already late when I took office. Our Meet formats have been a challenge as (noted in Program Operations report) the experience of our meets was found to be in need of updating. This process needs to continue with a great deal of thought and input as we move to a solution and not another "wrong turn". Several of the projects undertaken this last year:

- Time Standards are moving to a scheduled update system and will be due to the LSC shortly after each season is completed to insure a more timely posting and update of these standards. We now use a 3 yr average of 28th place to calculate the cuts for the given course. The times will not get slower going forward. They will only get faster if there is a need indicated by the 3 yr average. The Technical Committee's goal has been to have these in the hands of the BOD for approval within 60 days after the completion of the season, as they have this past two seasons.
 - The 2015-2016 SCY and the 2016 LCM Times standards have all been reviewed and recommended to the BOD as of this writing!
- SURVEY watch for a request for participation at all levels within the LSC regarding our Championship meets and formats. We learned a great deal from the first round survey, enough that we need to both get full input from the LSC as well as help guide the understanding of what the choices could mean.
 - This is an important initiative that will impact SCY 2016-17 planning
- Upon the resignation of the Camps and Clinics chair, a committee was formed and the outcome was our first Distance Free camp Aug 15 at MSU, and it received a lot of positive feedback. We are planning two weekend camps in May 2016 – details to come this winter. Camps and Clinics Committee will be charged with programs not only for our elite swimmers, but programs across

**Michigan Swimming
2015 House of Delegates Meeting Minutes**

the state and for coach engagement and education. I'm personally excited about this opportunity for our LSC as we work together to improve swimming across the state!

- Zone Team Coordinator - Joe McBratnie
 - Congrats to the Zone team for a good finish at the Minneapolis CZ meet!
 - Mid States signup was a mess this last winter with almost minute coordination. This will not happen again as we move to automate the process and eliminate the old system. We already have info on this meet and Joe is working on this project
 - Mega Zone Indianapolis has been announced! Look for information on this meet as well really soon.

As a final wrap up to my report, it has been a great opportunity to work with so many people in our LSC this last year. We need to have more people involved (but doing less) to get a balance in our LSC's structure and execution of its programming. My interim coverage of Program Development comes to a close with the elections at this HOD. I feel that Program Development will be handed off in better shape than it was and I am hopeful that the new Vice Chair(s) can hit the ground running with what groundwork has been laid and projects that have been moved forward. Program Operations will have a co-Chair for the next year, allowing us to divide and focus more closely on our needs as an LSC in this division. I am certainly planning on these two divisions to continue to interact better and more often than they have in the previous years. We can achieve a great deal of progress with the momentum that has started.

Thanks,

Mike Cutler

2015 House of Delegates Para-Swimming Report

Currently Michigan Swimming has 4 very active para-swimmers who have competed at a variety of events on both the national and international stages. One of these swimmers even set a new American S-14 record during the year in the men's 400 IM.

**Michigan Swimming
2015 House of Delegates Meeting Minutes**

Para-athletes from Michigan traveled to several venues both inside and outside of our state including

2014 Winter Can-Am in Edmonton, AB

2015 Spring Can-Am in Scarborough, ON

2015 Cincinnati Para-Swim Meet

2015 Thunder in the Valley Meet at Saginaw Valley State University

Additionally Michigan Swimming has 3 very active paralympic officials, 2 of whom are certified by US Paralympics as both Judges of Stroke and Starters, and one of these achieved International Paralympic Committee (IPC) Starter certification during the year.

A para-swimming inspirational video was produced as an Eagle Scout project by a young man from Fowlerville who has cerebral palsy. The video has been extremely well-received as it has been shown at the recently concluded national Aquatic Sports Conference and at US Paralympic headquarters. It is currently undergoing USP review prior to national release.

2015 Diversity HOD Report

Geneen Bradley

In 2015 Diversity has made outstanding progress here in Michigan. We were able to help two teams continue implementing their learn to swim programs by assisting them with grant funding.

We were also able to heal some of the divide among Detroit area teams by assisting some of the coaches with attending coaches clinics. Also, there was a successful formation of a unified Detroit area swim team that traveled to North Carolina to swim in the Black Heritage Swim Meet. The team traveled under the name Detroit Unified Swim Teams or DUST. DUST brought home a 5th place finish out of 42 teams.

There was also a team representing Michigan at the Central Zone Multicultural Swim Meet in Indiana this summer.

We were able to send two representatives to the Diversity in Aquatics Convention this summer. Diversity is making great progress.

2015 Officials Report for House of Delegates

This has been an exciting year for the Officials in Michigan. Currently we have 122 officials of which 33 have some form of National Certification. Since September 1, 2014 , we have held several clinics. 2 Stroke & Turn officials have completed their apprenticeship. 3 Administrative Officials have also finished and are now certified. 3 Officials have advanced to Deck Referee. 3 Administrative Officials have decided to apprentice as Stroke & Turn officials. Currently we have 4 active Stroke & Turn apprentices and 4 active Administrative official apprentices. We have already held 3 new stroke and turn clinics the year beginning September 1, 2015 and many apprentices eager to get on deck.

Meets outside of the state:

We had officials from Michigan travel to several meets outside of our state. These meets were Officials Qualifying Meets (OQM) This gives officials an opportunity to train and be evaluated for National Certification with their peers on a different level. Here is list of the meets that Michigan had at least one official attend.

Arena Pro Series (Mesa) – 1

Pro Am – 2

Central Zone Long Course Championship – 1

Winter National Championship – 1

Sectional Meet – 1

Futures – 5

We also had 3 officials attend and participate in high level YMCA meets.

This December, USA Swimming is hosting the Duel in the Pool in Indiana. Normally, officials can apply to work National Meets. This meet is different and you needed an invitation to attend. Michigan has 4 officials that were invited to attend.

[Safe Sport is a program to respond to and prevent instances of abuse and misconduct within the sport of swimming.](#)

-

Since assuming the Safe Sport Chair position earlier this year, I have been learning more about the role and what I can do to increase the safety for swimmers, officials , coaches etc. I attended a Conference in June which helped me establish some goals for Safe Sport.

A few things I will be focusing on are

- Increasing compliance and awareness of rules and regulations that already exist. I have been sending periodic emails on topics such as Meet safety, mandatory policies that teams must have, Deck changes etc.

-Increasing knowledge and awareness of what "Safe Sport" is.

I plan on having a booth at both SCY State Meets with hand outs , "prizes" and information for swimmers, parents and anyone involved with swimming. I will be looking for help from SS reps from each team to help distribute information and encourage their teams to participate in online training that is available.

- Simplifying the process for submitting EAP's. There are a few proposals that address this with the goal being to have teams submit EAPs for ALL PRACTICE and MEET pools when they submit their annual team registration.

I'm hoping to get several volunteers to help me at the state meets . I also welcome and suggestions or feedback regarding Safe Sport issues.

Sincerely,
Laurie Davenport

Meet Sanctioning/Results

John Loria jloria1@aol.com

Michigan Swimming Office

Annual Report from the Meet and Sanctioning Chair/Times Chair/Webmaster

To all Michigan Swimming members:

It has been an extremely busy time in the Michigan Swimming Office. There have been many requests for the sanctioning of On the Published Schedule and Off the Published Scheduled meets. In addition, there have been several requests for Approved meets and an unprecedented number of new requests for Observed meets. The additional Observed meet requests so far this season include the Oakland County Red meet, the Oakland County Championship meet, the MAC Championship meet, the MAC Last Chance Meet, and both the Girls and Boys MISCA meets. We are still waiting to hear from MHSAA concerning whether they will be requesting observation for the Girls and Boys High School State Championship meets. Also, the University of Michigan has notified me that they are preparing their forms for the observation of all of their home meets.

During the 2014-15 season there were 129 meets with assigned numbers. 100 Sanctioned meets, 12 Approved meets, and 17 Observed meets. The Approved and Observed meets do take a longer period of time for the processing of the results. They first must be purged of any non USA Swimming registered athletes before the times are uploaded into SWIMS and the results are posted to the website.

While attending the Times and Recognition Committee meetings at Convention, I learned that most of the committee members use the same methodology that I use. In the Times and Recognition business meeting there were several different methods discussed but all agreed that it was just an extremely time consuming process no matter which method was used. I have attached the final assigned numbers list for the 2014-15 season and the list, to date, for the 2015-16 season with this report.

So far in the 2015-16 season I have already assigned numbers for 28 meets. The breakdown to date is 22 Sanctioned and 6 Observed meets. The queue, which was agreed to be handled on a month by month basis, already has meet sanctioning requests going out to February 2016. As of this writing there are 2 November meets, 6 December meets, and 2 February meets in the queue. The breakdown is 2 Approved meet requests, 2 Off the Published Schedule requests and 6 On the Published Schedule requests.

To help Host Clubs get the word out early about their meet, I worked with Mike Cutler to develop a "Save the Date" document which can be used. This does not replace the Meet Information Packet but can be used as an early Meet Announcement form. This was shown at the Meet Host/Meet Director workshop as part of the series of Officials Clinics held in September. The attendance to this workshop was very low again this year but several hosts that did come are first time meet hosts. The document can be found on the MS website under the FORMS/Meet Host tab.

**Michigan Swimming
2015 House of Delegates Meeting Minutes**

I have tried to keep the website fresh by adding photos submitted by members. Few have submitted photos to date but I continue to hope more will be submitted. I will again put the message about this out to the membership, as I have in the past.

While attending one of the governance workshops at Convention, we were showed how other LSCs use their Core Values to get their message out. Many photos were shown of

**Michigan Swimming

groups of athletes, teams, coaches, parents, and officials holding placards printed with each word of their Core Values and wearing T-Shirts with the individual words of their Core Values on the back and their slogan on the front. A great and effective way to get their message out in a fun and inclusive way.

With a new MS logo being voted on at this HOD meeting we can finally decide on a new look for our website. As part of our free use of a TeamUnify website, we were also given a one-time free website design element that has not been used so far. I am hoping to have some input from the Strategic Planning Seminar being held this Sunday with ideas for the background design. Any ideas from anyone in the LSC would also be greatly appreciated.

Thank all of you for a great year with Michigan Swimming. I look forward to serving all within our LSC and to see the quality meets that are hosted and the great times that are being achieved by the athletes, with the guidance by their coaches and parents, of our LSC. Please contact me with anything you feel I can be of assistance with.

- Miranda Tucker (LCSC) Girls Age 18 200 L BR
- PJ Ransford (MICH) Boys Age 18 1000 Y FR, 1650 Y FR

Certificates for the above and all other State Records and National Top 10 (both individual events and relays) will be mailed to coaches within the next few weeks.

OME (Online Meet Entry): This office set up OME and processed entries for our four (4) state championship meets.

LEAP: (LSC Evaluation & Achievement Program): After a very late start in the process we were notified in late September that Michigan Swimming had fulfilled all requirements for LEAP Level 1.

ONLINE PAYMENTS FOR REGISTRATION: At this time, forty (40) of the 80+ teams have elected to set up payment via ACH using Team Unify. In addition a payment button is located on the Michigan Swimming website for unattached swimmers and non-athletes who are paying for their own individual memberships. These were used for the first time in September to collect registration payments.

I am looking forward to a year in which our membership increases in numbers and one in which I can continue to offer support to the MS Board as well as all members of Michigan Swimming.

Respectfully submitted,

Jan Cartmill
