If a swimmer is entered in more than (3) individual events and (1) relay events per day, he/she must scratch out of the desired excess events.

**Proof of Times** - Michigan Swimming will accept all qualifying times contained in USA Swimming's SWIMS database, as well as times from meets sanctioned by other national governing bodies including YMCA, and foreign meets approved by FINA that have been run on approved meet management software within the qualifying period. The SWIMS database contains results of all sanctioned, observed and approved meets held in the USA for athletes who are registered USA Swimming members at the time of the swim. Times from the SWIMS database are proven times and do not require any further proof. If a time does not appear in OME, it is **NOT** a proven time. Use the custom time entry function to enter the meet with this time.

Custom times are not proven. If the athlete fails to swim at least the qualifying time in an event that has a custom time built, the team, or athlete if not attached to a team, will have 30 days from notification to prove the time. Failure to prove the time will result in a \$100.00 fine to the team, or athlete if not attached to a team, per event. Failure to pay the fine will result in that team, or athlete if not attached to a team, being barred from participating in any future events sanctioned or approved by Michigan Swimming until the fine is paid.

Acceptable proofs include printed meet results which clearly identify the meet host, meet location and meet date as well as the name of the event and the names, clubs and times of other swimmers in the event. The **preferred** proof is an unlocked Meet Manager backup of the meet. Team Manager export files are also acceptable but are not preferred. Computer printed award labels and/or time cards signed by a meet referee and Meet Mobile are **NOT** acceptable for proof purposes.

**Relay Proof of Time** - If a relay team is DQ'd or does not swim equal to or faster than the cut, the team must prove the time.

This is done by proving the aggregate time for the four individuals who actually swam on the particular relay within 30 days following the conclusion of the meet to the Michigan Swimming office or by proving that the team-owned entry time was achieved at acceptable competition during the qualifying period. The aggregate time to be proved need not be equivalent to the submitted entry time for the relay, however, the time must be at or faster than the qualifying standard for the relay event.

Aggregate proof times must all be equivalent (i.e. all SCY, all SCM, all LCM). All times must have been achieved during the qualifying period and conversions may not be used in determining the submitted proof of time. Failure to prove a qualifying aggregate or team-owned time within the 30 days will result in a fine of \$100 payable immediately to Michigan Swimming. Failure to pay the \$100 fine will result in that team being barred from participating in any future events sanctioned or approved by Michigan Swimming until the fine is paid.

**Entry Fees** - The fees are **\$10.00** per individual event and **\$15.00** per relay. Please include a **\$5.00** Michigan Swimming Athlete Surcharge for each swimmer entered and a **\$10.00** per athlete facility surcharge. Entry fees will be invoiced to each team's Michigan Swimming account. If a team has an ACH or Credit Card on file, it will be billed. All other entry fees may only be paid by check. Please make checks payable to:

**Michigan Swimming**  
**2245 Knollcrest, Rochester Hills, MI 48309**

**Entry Open/ Deadline** – OME will be the only method of entry. OME entries will open February 24, 2024 and close at 12:00 p.m.(noon) March 4, 2024.

**Missed Entry** - A Coach or an Entry Chair who has made an honest mistake and inadvertently failed to enter a swimmer and/or swimmer in an event by the entry deadline may then do so by: entering the athlete(s) and/or event(s) by the scratch deadline of the first day of the meet, paying a fee of \$100.00 per team and double the entry fee for the event, and providing a paper proof of time (meet results) to the Meet Referee at the time of the entry. The Meet Referee's decision on missed entries is final and non-appealable.

**Relay Entry** - Each team may enter no more than two (2) relays in a relay event. Relay entries must be designated as "A" and/or "B". "A and/or B" relays must be entered with a seed time, and the seed time must be at or faster than the qualifying standard for the relay event. "A and/or B" relays may be entered without proof of a qualifying time. Teams may enter relays by entering a relay time for the team which is already in SWIMS, by entering an aggregate time from SWIMS, or they may enter a custom time for the relay(s). Swimmers participating in an individual event(s) are eligible to compete on an A or B relay. Relay only athletes are eligible to compete on an A or B relay.

All relay only athletes must be included in the entry file. Athletes not in the entry file are not eligible to swim at this meet.

**Refunds** - There are no refunds in full or in part once a team or individual entry has been accepted.

**Declaration Of Relay Swimmers** - Relays will be checked in and the names and order of relay swimmers and alternates should be initially declared by:

4:30 pm Saturday for the 200 Freestyle Relays

1:00 pm Sunday for the 200 Medley Relays

The order of relay swimmers may be changed **before** the start of the relay heat. If the relay fails to swim in the final order as declared on the lanes timer sheet - the relay will be disqualified.

**Marshaling** - This is a self-marshaled meet.

**Scratch Rules** - All individual events will conform to the USA National Scratch Procedures Article 102.4.

Early Team or individual scratches for all Friday events will be accepted at [Escratch@miswim.org](mailto:Escratch@miswim.org) on Friday March 8, 2024 from 8:00 AM to 6:00 PM.

**Penalties For Failure To Compete** - If a swimmer fails to drop his/her scratch card by the time stated for the event and fails to compete in that event, the swimmer will be barred from all further individual and relay events of that day. Additionally, the swimmer will not be seeded in any further individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the scratch box for that day's event. (See Meet Referee or his/her designee).

**Additional \$50 Penalty** - In addition to the procedures and penalties stated above, if a swimmer participates in any event in this meet and then fails to compete in his/her last scheduled individual event of the meet without being properly scratched for that event, he/she shall be fined \$50 payable immediately to MS.

The swimmer is not allowed to compete in any subsequent MS sanctioned or approved events until the fine is paid.

**Results** - Official results will be posted following the conclusion of the meet on the Michigan Swimming Website at [www.miswim.org](http://www.miswim.org). Unofficial results will also be available (HY-TEK Meet Manager) to coaches only (Coaches must provide a flash drive). Please use Meet Mobile for Unofficial live results.
