## Assistant Coaching Openings.

Liquid Lightning Swim Team is looking for passionate, energetic assistant coaches to work with our Bronze/Silver groups. The groups are developmental, and your skills would enhance that development as well as bringing a love and passion for the sport of swimming.

These are part time positions that will include summer coaching. Meet sessions if coached will be compensated. You will start immediately. This is a great opportunity for teachers, college age coaches working in the education arena.

Hours would be evenings 5:30-8:00pm. Hours will vary due to facility use. Some weekends due to meets as assigned and agreed with Head Coach.

Interested coaches need to contact Shawn Kornoelje, Head Coach, at the contact info above.

Thank you

Shawn Kornoelje

Head Coach
