

PINCKNEY AQUATIC CLUB MISSION STATEMENT

The Pinckney Aquatic Club – Pirates (PACP) is an organization recognized by the Pinckney Board of Education for the purpose of providing age group and high school competition in the area of aquatics. Our objectives will be: to stress sportsmanship over victory; team goals over individual honors; to build physically and emotionally sound athletes; and, regardless of ability, to have each athlete reach their highest personal potential. As a team, PACP will represent the school and community of Pinckney with pride and accomplishment.
