Committee Chairman Reports:

MISCA Clinic: Jim Lawrence -

-99 clinic attendees down from 108 last year. Room nights were down a bit from last year.

-The real problem has been the Awards Luncheon. We were planning on 85 and ended up with 120. Also awards recipients have been bringing guests. This is something we need to address. We will try to narrow down the number of on-site registrations over the last three years to help with that prediction.

-Assigned tables for different groups.

-Invite Award Recipient plus one guest. If they would like to purchase more tickets they can in advance for \$20.

-We need deadline - Monday before the clinic for dinner tickets, clinic registration, coaches gift, etc.

-Vendor time at the end of General Membership for them to talk about their products briefly

-Lunch tickets

Clinic Speakers: Greg Phill

If you have ideas or suggestions contact Greg. He would like to contact Speedo by October for next year. Having a good recruit helps get good speakers. It would be nice to get some of the area high school and college coaches involved.
