MISCA General Membership Meeting Agenda Friday, September 17, 2021

Breakdown D1 (45%), D2 (22%), D3 (32%), and UP (1%)
Ontime submissions (93%) and late (7%)
Online submissions (96%) and other (4%)

We will have to purchase more certificates for this year.

I just want to take a moment to thank Dave Z for setting up the online submission.
I also want to thank the coaches for sending in submissions. Also, another thank to you all the coaches for doing 'extra'. When it came to submissions, Michigan was #4 in the nation for NISCA National Dual Meet Team Ranking, #1 in the nation for NISCA Academic All American and #1 in the nation for NISCA Scholar Teams (16 boy and 13 girls).

MHSCA

MHSCA Hall of Fame applications and Service Award applications are on the website and I have put them on the tables. Eric Talsma and Dave Z were able to provide me a list of coaches that have 20 or more years of high school coaching. During the summer I sent an E Mail to all these coaches encouraging them to think about applying for this honor. I am happy to say a good number have reached out to me asking about the process. We have a lot of deserving people that should be recognized. Please reach out to me if you have any questions.

The 2021 MHSCA HOF induction ceremony is on September 19th and will be virtual this year. We do not have swim or dive coaches being inducted this year. Our HOF selection process starts in February. I look forward to having more swim and dive coaches as candidates.

The MHSCA Coach of the Year ceremony will be November 7th in Lansing. We will be honoring Rob Damuth for MHSCA Girls COY and Connie Cantrell as MHSCA Boys COY. Other national award nominations went to Stefanie Kerska – NFHS COY for both boys and girls, Dave Brinks for National Assistant COY, and Mike Venos for NHSACA COY.

Banquet in Atlanta – Eric Talsma will be inducted into the NISCA hall of fame.
