WELCOME TO THE 1985 FINAL CLASS B BOYS SWIMMING AND DIVING MEET

High school swimmers and divers have been competing in M.H.S.A.A. sponsored meets for 59 years. This, the 60th year, will be another outstanding example of the competitive spirit, personal devotion and innate abilities that have been demonstrated over the many years.

Over 225 schools sponsored swim teams during the 1984-85 school year. Some 11,000 students, both boys and girls, have participated in the regular season competition this school year.

It is a privilege for each student to compete in swimming and diving and it is a tremendous accomplishment for those who qualify, to compete in the Finals.

Good luck to all competitors and a warm welcome to fans who support their high school teams with their presence today.

VERN L. NORRIS
Executive Director
