WELCOME TO THE 1986 BOYS SWIMMING & DIVING FINALS

This is the sixty-second consecutive year for the M.H.S.A.A. Boys Swimming and Diving Championships. The support and direction given the boys swimming and diving program by the schools and coaches in the state has been outstanding.

From the first meet held in 1925 and won by Detroit-Northwestern High School, to the championships won by Ann Arbor-Pioneer and Milan in 1985, there has been growth in the numbers of schools and contestant's quality of performances. Many of whom have gone on to outstanding performances at the collegiate and olympic levels.

All of this would not be possible without the fans. Parents, family, friends, fellow classmates and loyal supporters of swimming are important to a total program. Their support is encouraged and appreciated.

Congratulations to all who play a part in making this meet a success. May good sportsmanship prevail at all times.

Vern L. Norris
Executive Secretary

VIDEOTAPING/FILMING
RADIO AND T.V. COVERAGE AT
M.H.S.A.A. SPONSORED MEETS/TOURNAMENTS

The following videotaping and filming procedures have been set for Managers of all M.H.S.A.A. sponsored (District, Regional and Final) Tournaments:

Competing Schools - A competing school desiring to videotape or film an athletic event in which that school competes must receive permission in advance from the Tournament Manager. Under no conditions may the tape/film be used for scouting purposes by schools other than those involved in the event filmed. Schools not competing in the event may not film or tape the event. The film/tape is not to be used to second guess decisions made by game/meet officials. The film/tape may not be sold, rented, or loaned for commercial purposes.

Media Taping/Filming - The filming/taping of M.H.S.A.A. events must be cleared through the Michigan High School Athletic Association. Members of the media may, without paying a fee, arrange with the local Tournament Manager to take clips of M.H.S.A.A. events for public showing. Under no conditions may an entire athletic event be filmed or taped for showing without advance clearance through the M.H.S.A.A. and the local Tournament Manager.

Spectator Videotaping/Filming - Spectators must receive permission from the Tournament Manager for any live action taken of athletic events other than snapshots. If permission is granted for spectators to film the entire event or take clips, it is to be with the understanding the tape/film may not be sold, leased, borrowed, or rented for commercial purposes. The Tournament Manager should not permit spectators to interfere with the view of other spectators or news media personnel covering the activity, and if there is any question as to the purposes of filming or taping, the request should be denied by the local tournament management.

Cable Television - Arrangements for cable television must be made through the M.H.S.A.A. office and only one origination will be allowed at a Tournament Center. A fee of \$50.00 is charged for each cablevision station coverage per game. Cable television will not be permitted at sites where live television is contracted.

Live Television Coverage - Radio Coverage - No radio or television origination is permitted at any site until application has been made through the M.H.S.A.A., fee paid and authorization given by the M.H.S.A.A. through the Tournament Manager.
