

Franklin Hills Country Club, in Oakland County, is looking for a mature, reliable, and responsible individual to oversee our pool this summer.

The ideal candidate will be a certified lifeguard, is knowledgeable in maintaining chemical levels, who also enjoys giving swimming lessons, interacting with the membership, and maintaining our pool safety standards, all while supervising and leading our team of lifeguards.

Some of the daily duties of the supervisor and lifeguards could consist of the following,

Maintaining cleanliness and order on pool deck

Ensuring the chemical levels of the pool are checked and maintained as directed.

Maintaining the locker rooms and restrooms at the pool.

Ensuring there is always an adequate number of towels for member use.

And most importantly, focusing on the safety of those in the pool.

The supervisor will also handle scheduling of staff and cleaning duties.

We would prefer this individual to be available full time from Memorial Day thru Labor Day.

Besides a competitive wage based on experience, we provide the following,

Uniforms, meals, parking, and golf on Mondays.
