

Aquajets Locker Room Policy

PURPOSE

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms and changing areas.

FACILITIES

The following is a description of our practice and competition facilities to allow athletes and their families to plan their use:

We practice at the Aquajets facility at 6545 Flying Cloud Dr., Eden Prairie. This location has a changing area and locker room dedicated to our swimmers.

LOCKER ROOM POLICY

Aquajets has staggered practices, with different groups arriving and departing throughout the day. It is therefore not practical to constantly monitor locker rooms and changing areas over this extended course of time. While we do not post anyone inside or at the doors of the locker rooms and changing areas, we do make occasional sweeps of these areas. Coaches conduct these sweeps, with women checking on female locker rooms, and men checking on male locker rooms.

Coaches and staff make every effort to recognize when an athlete goes to the locker room or changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.

We discourage parents from entering locker rooms and changing areas unless it is truly necessary. In those instances, it should only be a same-sex parent. If this is necessary, parents should let the coach or administrator know about this in advance.

If an athlete needs assistance with his or her gear (for example, a child under the age of eight), or an athlete's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the athlete.

USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. The USA Swimming Athlete Protection Policies prohibit the use of such devices in the locker room or other changing area:

305.3 *Use of audio or visual recording devices, including a cell phone camera, is not allowed in changing areas, rest rooms or locker rooms.*

Aquajets Locker Room Policy

MISCONDUCT

If misconduct is reported to or observed by a coach, we will take the following steps to address the misconduct:

1. Talk to the involved swimmer(s) to remind them of the guidelines
2. If the misconduct is repeated, we will talk to the parents
3. If the misconduct is further repeated, the swimmer(s) will lose their locker room privileges.
