Amy worked with many International, World, and Olympic coaches and choreographers, who helped her skating and coaching grow to heights she never imagined. She has also completed her partnered ice dance tests through Pre-Silver.

In 2012, Amy graduated Magna Cum Laude with a degree in Exercise Science and is certified as an Exercise Physiologist through the American College of Sports Medicine. Amy firmly believes in off ice training to prevent injuries. Her coaching career began in 2004 at the Learn to Skate level and started assisting/teaching private students in 2008. She is a member of the USFS and PSA with a Master Rating in Moves in the Field and Certified Rating in Freestyle, while continuing to seek a higher education in all areas of coaching. Every skater has a different learning style, and Amy tailors her coaching to reach the needs of each individual. Skating is a big passion in her life and it is a blessing to share that with her students.
