We also had our Junior Board meeting and were able to make some exciting upcoming plans for our bigs/little event in January and our ice show cast party. This meeting was so productive we were able to cancel our December meeting!

With the holiday season fast approaching and the hustle and bustle of December we will be having our next events starting in January.

January 7th will be our Bigs/Littles New Year Holiday Party. We have some fun activities planned with our pairs and will be meeting in the CCC lobby and then heading to our room for food and activities. This event will be right after the club session ends on Saturday.

January 22th is National Skating Month, This event will be held during CCC open skate and our board members will be giving skating lessons and showing off their skills to promote figure skating and the CFSC.

Thank you for everyone's continued participation in 2022. We hope everyone enjoys this upcoming holiday season and comes back refreshed for the New Year!
